- 20.1 Company will open the Technical Bids, including submission made pursuant to clause 18.0, in presence of Bidder's representatives who choose to attend at the date, time and place mentioned in the Forwarding Letter. However, an authorisation letter (as per **Proforma-I**) from the Bidder must be produced by the Bidder's representative at the time of Bid Opening. Unless this Letter is presented, the representative will not be allowed to attend the Bid Opening. The Bidder's representatives who are allowed to attend the Bid Opening shall sign a register evidencing their attendance. Only one representative against each Bid will be allowed to attend. In technical bid opening, only "Technical Attachment" will be opened. Bidders therefore should ensure that technical bid is uploaded in the "Technical Attachment" Tab Page only in the E-portal.
- 20.2 In case of any unscheduled holiday or Bandh on the Bid Opening Date, the Bids will be opened on the next full working day. Accordingly, Bid Closing Date / time will get extended up to the next working day and time.
- 20.3 Bids which have been withdrawn pursuant to clause 18.0 shall not be opened. Company will examine bids to determine whether they are complete, whether requisite Bid Securities have been furnished, whether documents have been digitally signed and whether the bids are generally in order.
- 20.4 At bid opening, Company will announce the Bidder's names, written notifications of bid modifications or withdrawal, if any, the presence of requisite Bid Security, and such other details as the Company may consider appropriate.
- 20.5 Normally no clarifications shall be sought from the Bidders. However, for assisting in the evaluation of the bids especially on the issues where the Bidder confirms compliance in the evaluation and contradiction exists on the same issues due to lack of required supporting documents in the Bid (i.e. document is deficient or missing), or due to some statement at other place of the Bid (i.e. reconfirmation of confirmation) or vice-versa, clarifications may be sought by OIL. In all the above situations, the Bidder will not be allowed to change the basic structure of the Bid already submitted by them and no change in the price or substance of the Bid shall be sought, offered or permitted.
- 20.6 Prior to the detailed evaluation, Company will determine the substantial responsiveness of each bid to the requirement of the Bid Documents. For purpose of these paragraphs, a substantially responsive bid is one, which conforms to all the terms and conditions of the Bid Document without material deviations or reservation. A material deviation or reservation is one which affects in any way substantial way the scope, quality, or performance of work, or which limits in any substantial way, in-consistent way with the Bid Documents, the Company's right or the Bidder's obligations under the contract, and the rectification of which deviation or reservation would affect unfairly the competitive position of other Bidders presenting substantial responsive bids. The Company's determination of Bid's responsiveness is to be based on the contents of the Bid itself without recourse to extrinsic evidence.

-------------------------	--	--

- 20.7 A Bid determined as not substantially responsive will be rejected by the Company and may not subsequently be made responsive by the Bidder by correction of the non-conformity.
- 20.8 The Company may waive minor informality or nonconformity or irregularity in a Bid, which does not constitute a material deviation, provided such waiver, does not prejudice or affect the relative ranking of any Bidder.
- 21.0 **OPENING OF PRICED BIDS:**
- 21.1 Company will open the Priced Bids of the technically qualified Bidders on a specific date in presence of representatives of the qualified Bidders. The technically qualified Bidders will be intimated about the Priced Bid Opening Date & Time in advance. In case of any unscheduled holiday or Bandh on the Priced Bid Opening Date, the Bids will be opened on the next working day.
- 21.2 The Company will examine the Price quoted by Bidders to determine whether they are complete, any computational errors have been made, the documents have been properly signed, and the bids are generally in order.
- 21.3 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price (that is obtained by multiplying the unit price and quantity) the unit price shall prevail and the total price shall be corrected accordingly. If there is a discrepancy between words, and figures, the amount in words will prevail. If any Bidder does not accept the correction of the errors, their Bid will be rejected.
- 22.0 **CONVERSION TO SINGLE CURRENCY:** Not Applicable.
- 23.0 **EVALUATION AND COMPARISON OF BIDS:** The Company will evaluate and compare the bids as per **BID EVALUATION CRITERIA (BEC), PART-2** of the Bid Document.
- 23.1 **DISCOUNTS / REBATES:** Unconditional discounts/rebates, if any, given in the bid will be considered for evaluation.
- 23.2 Post bid or conditional discounts/rebates offered by any Bidder shall not be considered for evaluation of bids. However, if the lowest Bidder happens to be the final acceptable Bidder for award of contract, and if they have offered any discounts/rebates, the contract shall be awarded after taking into account such discounts/rebates.
- 23.3 **LOADING OF FOREIGN EXCHANGE:** There would be no loading of foreign exchange for deciding the inter-se-ranking of domestic Bidders.

law or contract including sub clause (b) below, the right to terminate the contract.

- b) If the contractor is unable to mobilize/deploy and commence the operation within the period specified in sub clause (a) above, it may request OIL for extension of the time with unconditionally agreeing for levy and recovery of LD. Upon receipt of such a request, OIL may at its discretion, extend the period of mobilization and shall recover from the CONTRACTOR, as an ascertained and agreed Liquidated Damages, a sum equivalent to @ 0.5% of contract value including mobilization cost, per week or part thereof of delay subject to maximum of 7.5% of the Contract Price.
- c) The parties agree that the sum specified above is not a penalty but a genuine pre-estimate of the loss/damage which will be suffered by OIL on account of delay on the part of the CONTRACTOR and the said amount will be payable without proof of actual loss or damage caused by such delay.
- d) LD will be calculated on the basis of Total Contract value [(if not specified otherwise in SCC] excluding duties and taxes, where such duties/taxes have been shown separately in the contract. However, the applicable GST on the LD shall have to be borne by the CONTRACTOR. Accordingly, the liquidated damages shall be recovered from the CONTRACTOR along with applicable GST.

31.0 **FORCE MAJEURE:**

In the event of either party being rendered unable by 'Force Majeure' to perform any obligation required to be performed by them under the contract, the relative obligation of the party affected by such 'Force Majeure' will stand suspended as provided herein. The term force majeure as employed herein shall mean Acts of God such as earthquake, hurricane, typhoon, flood, volcanic activity etc.; war (declared/undeclared); riot, revolts, rebellion, terrorism, sabotage by persons other than the CONTRACTOR's Personnel; fires, explosions, ionising radiation or contamination by radio-activity or noxious gas, if not caused by CONTRACTOR's fault; declared epidemic or disaster; acts and regulations of respective Govt. of the two parties, namely the COMPANY and the CONTRACTOR and civil commotions, lockout not attributable to the CONTRACTOR.

Upon occurrence of such cause, the party claiming that it has been rendered unable as aforesaid thereby, shall notify the other party in writing within 72 (Seventy-Two) hours of the alleged beginning and ending thereof, giving full particulars and satisfactory evidence in support of its claim.

Should 'force majeure' condition as stated above occurs and should the same be notified within 72 (Seventy-two) hours after its occurrence the 'force majeure' rate (if specified in the SCC of the Contract) shall apply for the first 15 (fifteen) days for each such occasion.

-------------------------	--	--

Either party shall have the right to terminate the Contract if such 'force majeure' conditions continue beyond successive 60 (Sixty) days [or exclusively mentioned in the SCC of the Contract] with prior written notice of 15 days, provided termination of the Contract does not result into safety hazard to the life and property on account of withdrawal of operations or the operation is at critical stage. COMPANY shall have the absolute right to decide whether any safety hazard exists or operation is at critical position and decision of the COMPANY shall binding upon the CONTRACTOR.

Should either party decide not to terminate the Contract even under such condition, no payment would apply after expiry of fifteen (15) days force majeure period. [or exclusively mentioned in the SCC of the Contract]

Time for performance of the relative obligation suspended by Force Majeure shall then stand extended by the period for which such cause lasts.

If however, relative obligation of the party affected by such 'Force Majeure' is limited to part of the obligation(s), the contract shall not be terminated and the parties shall continue to perform their respective obligations, which are not affected by the 'force majeure' condition, provided the obligations affected by the 'force majeure' do not preclude the parties in performing the obligations not affected by such conditions.

32.0 SET-OFF:

Any sum of money due and payable to the CONTRACTOR (including Performance Security refundable to them) under this or any other Contract, whether in progress or in future, may be appropriated by OIL and set-off against any claim of OIL (or such other person or persons contracting through OIL) for payment of a sum of money arising out of this contract or under any other contract made by the CONTRACTOR with OIL (or such other person or persons contracting through OIL).

33.0 WITHHOLDING:

COMPANY may withhold or nullify the whole or any part of the amount due to CONTRACTOR, after informing the CONTRACTOR of the reasons in writing, on account of subsequently discovered evidence in order to protect COMPANY from loss on account of:

33.1 For non-completion of jobs assigned as per Scope of Work/Terms of Reference.

33.2 Defective work not remedied by CONTRACTOR.

33.3 Claims by COMPANY's recognized sub-CONTRACTOR of CONTRACTOR or others filed or on the basis of reasonable evidence indicating probable filing of such claims against CONTRACTOR.

- 39.1 All duties, taxes except otherwise specified in the Contract as applicable on the closing date of bid submission as per relevant acts and rules shall be in CONTRACTOR's account. Variation in case of custom duty on CIF value declared by the bidder shall be to COMPANY account.
- 39.2 In the event of introduction of any new legislation or any amendment or enforcement of any Act or Law, rules or regulations of Government of India or State Government(s) or Public Body, which becomes effective after the date of submission of Price Bid or revised price bid, if any, for this CONTRACT and which results in increased/decreased cost of the works under the CONTRACT through increased/decreased liability of taxes and/or duties, required to be paid by the CONTRACTOR, (other than personnel and Corporate taxes), the Parties shall agree to a revision in pricing to reflect such change subject to the production of documentary proof to the satisfaction of the COMPANY/CONTRACTOR as applicable to the extent which directly is attributable to such introduction of new legislation or change or amendment as mentioned above and adjudication by the competent authority (applicable when disputed by COMPANY) & the courts wherever levy of such taxes/duties are disputed by COMPANY/CONTRACTOR.
- 39.3 Any increase in net amount of the duties and taxes (i.e. the amount of taxes/duties payable minus eligible credit of taxes/duties paid on input services/inputs) after the contractual completion/mobilization date during the extended period will be to the CONTRACTOR's account, where delay in completion/mobilization period is attributable to the CONTRACTOR. However, any decrease in net amount of the duties and taxes (i.e. the amount of taxes/duties payable minus eligible credit of taxes/duties paid on input services/inputs) after the contractual completion/mobilization date will be to COMPANY's account.
- 39.4 The Contract Price and other prices given in the Schedule of Prices are based on the applicable tariff as indicated by the CONTRACTOR in the Schedule of Prices. In case this information subsequently proves to be wrong, incorrect or misleading, COMPANY will have no liability to reimburse/pay to the CONTRACTOR the excess duties, taxes, fees, if any finally levied/imposed by the concerned authorities. However, in such an event, COMPANY will have the right to recover the difference in case the rate of duty/tax finally assessed is on the lower side.
- 39.5 Notwithstanding the provision contained in Clause-39.1 to 39.4 above, the COMPANY shall not bear any liability in respect of:
- Personal taxes on the personnel deployed by CONTRACTOR, his sub-CONTRACTOR/sub-sub-CONTRACTORS and Agents etc.
 - Corporate taxes and Fringe benefit tax in respect of CONTRACTOR and all of their sub-CONTRACTORS, agents etc.

- iv. Any liability on the CONTRACTOR, which was accrued under the old law or contract, which the CONTRACTOR is obligated to pay either to the COMPANY or to the Government Authority.

39.6 In order to ascertain the net impact of the amendment/ revisions/enactment of various provisions of taxes/duties, the CONTRACTOR is liable to provide following disclosure to COMPANY:

- i. Details of each of the input services used in relation to providing service to COMPANY including estimated monthly value of input service and GST tax amount.
- ii. Details of Inputs (material/consumable) used/required for providing service to COMPANY including estimated monthly value of input and GST paid/payable on purchase of inputs.

39.7 The above provisions would be applicable only in case of variation in rate of taxes and duties on supply of services to OIL and not applicable on taxes and duties on input (goods and services) towards such services.

39.8 Any claim or reduction on account of change in law shall be accompanied with undertaking that the provisions of anti-profiteering clause under GST Act have been complied with.

40.0 **SEVERABILITY:**

Should any provision of this agreement be found to be invalid, illegal or otherwise not enforceable by any court of law, such finding shall not affect the remaining provisions hereto and they shall remain binding on the parties hereto.

41.0 **Commission of misconduct/submission of fraudulent document by the bidder/contractor and Banning thereof:**

The information and documents furnished by the bidder/CONTRACTOR in respect of the tender/contract are accepted by COMPANY to be true and genuine. However, if it comes to the notice of the COMPANY anytime either during the pendency of the tender or after award of the contract or after completion the contract that a Bidder/CONTRACTOR furnished fraudulent document/false information in relation to the subject tender/contract or committed any misconduct, appropriate action shall be taken against the Bidder/CONTRACTOR for debarment/banning of the bidder/CONTRACTOR from participating in any future tender of the COMPANY in terms of the COMPANY's Banning Policy, 2017 besides making the CONTRACTOR liable for other penal action including termination of ongoing contract(s) at his/her risk and peril. In such event, the Bid Performance Security in respect of ongoing contract(s) shall be forfeited by the COMPANY.

42.0 SETTLEMENT OF DISPUTES:

42.1 Arbitration (Applicable for Suppliers/CONTRACTORS other than PSU and MSME):

1. Except as otherwise provided elsewhere in the contract, if any dispute, difference, question or disagreement arises between the parties hereto or their respective representatives or assignees, in connection with construction, meaning, operation, effect, interpretation of the contract or breach thereof which parties are unable to settle mutually, the same shall be referred to Arbitration as provided hereunder:
2. A party wishing to commence arbitration proceeding shall invoke Arbitration Clause by giving 30 days' notice to the other party. The notice invoking arbitration shall specify all the points of dispute with details of the amount claimed to be referred to arbitration at the time of invocation of arbitration and not thereafter. If the claim is in foreign currency, the claimant shall indicate its value in Indian Rupee for the purpose of constitution of the arbitral tribunal.
3. It is agreed and undertaken by the Parties that irrespective of country of origin of the CONTRACTOR, the arbitration proceedings shall be governed by the Arbitration and Conciliation Act, 1996 and under no circumstances, the proceedings shall be construed as International Arbitration.
4. The number of arbitrators and the appointing authority will be as under:

	Claim amount (excluding claim for interest and counter claim, if any)	Number of Arbitrator	Appointing Authority
	Upto INR 25.00 Lakh	Not applicable	Not applicable
5.	Above INR 25.00 Lakh Upto INR 25 Crore	Sole Arbitrator	OIL
	Above INR 25 Crore	3 Arbitrators	One Arbitrator by each party and the 3 rd Arbitrator, who shall be the presiding Arbitrator, by the two Arbitrators.

ties agree that they shall appoint only those persons as arbitrators who accept the conditions of the arbitration clause. No person shall be appointed as Arbitrator or Presiding Arbitrator who does not accept the conditions of the arbitration clause.

6. If any of the Arbitrators so appointed dies, resigns, becomes incapacitated or withdraws for any reason from the proceedings, it shall be lawful for the concerned party/arbitrators to appoint another person in his place in the same manner as aforesaid. Such person shall proceed with the reference from the stage where his predecessor had left if both parties consent for the same; otherwise, he shall proceed de novo.
7. Parties agree and undertake that neither shall be entitled for any pre-reference or

pendente-lite interest on its claims. Parties agree that any claim for such interest made by any party shall be void.

8. The arbitral tribunal shall complete the proceedings, make and publish the award within time stipulated in the Arbitration and Conciliation Act, 1996(as amended).
9. If after commencement of the arbitration proceedings, the parties agree to settle the dispute mutually or refer the dispute to conciliation, the arbitrators shall put the proceedings in abeyance until such period as requested by the parties. Where the proceedings are put in abeyance or terminated on account of mutual settlement of dispute by the parties, the fees payable to the arbitrators shall be determined as under:

- (i) 20% of the fees if the claimant has not submitted statement of claim.
- (ii) 40% of the fees if the pleadings are complete
- (iii) 60% of the fees if the hearing has commenced.
- (iv) 80% of the fees if the hearing is concluded but the award is yet to be passed.

10. Each party shall be responsible to make arrangements for the travel and stay etc. of the arbitrator appointed by it. Claimant shall also be responsible for making arrangements for travel/stay arrangements of the Presiding Arbitrator and the expenses incurred shall be shared equally by the parties.

In case of sole arbitrator, both parties shall equally share all expenditures that may be required to be incurred.

11. The fees and other administrative/secretarial expenses of the arbitrator(s) shall not exceed the model fee as stipulated in Schedule--- of the Act and such expenses shall be equally borne by the parties.
12. The Place/Seat of Arbitration shall be Guwahati or the place where the contract is executed. The venue of the arbitration shall be decided by the Arbitrator(s) in discussion with the parties. The cost of arbitration sittings shall be equally borne by the parties.
13. The Arbitrator(s) shall give reasoned and speaking award and it shall be final and binding on the parties.
14. Subject to aforesaid, provisions of the Arbitration and Conciliation Act, 1996 and any statutory modifications or re-enactment thereof shall apply to the arbitration proceedings under this clause.

42.2 Arbitration (applicable in case of Contract awarded on Public Sector Enterprise):

- a) In the event of any dispute or difference relating to the interpretation and application of the provisions of commercial contract (s) between Central Public Sector Enterprises (CPSEs) and also between CPSEs and Government Departments/Organizations (excluding disputes -concerning Railways, Income

Tax, Customs & Excise Departments), such dispute or difference shall be taken up by either party for resolution through AMRCD as mentioned in OPE OM No. 4(1)/2013-DPE(GM)/FTS-1835 dated 22-05-2018.

- b) A party wishing to commence arbitration proceeding shall invoke Arbitration Clause and refer the dispute(s) to AMRCD with a copy to the other party. The notice invoking arbitration shall specify all the points of dispute with details of the amount claimed to be referred to arbitration at the time of invocation of arbitration and not thereafter.
- c) Upon such reference, the dispute shall be decided by the Competent Authority appointed under the AMRCD, whose decision shall bind the parties finally and conclusively. The parties in the dispute will share equally the cost of the arbitration as intimated by the Arbitrator.

42.3 Arbitration (Applicable to Micro, Small and Medium Enterprise)

In the event of any dispute or difference relating to, arising from or connected with the Contract, efforts shall be made to resolve the dispute(s) amicably by mutual consultation and in case such dispute(s) cannot be resolved through mutual consultation, then same shall be resolved through the procedure as prescribed in Section-18 of the Micro, Small and Medium Enterprises Development Act, 2006.

42.4 Resolution of disputes through conciliation by OEC

(Not Applicable in cases where value of dispute is less than Rs. 25 Lakhs and more than 2 Crore)

If any dispute, difference, question or disagreement arises between the parties hereto or their respective representatives or assignees, in connection with construction, meaning, operation, effect, interpretation of the contract or breach thereof which parties are unable to settle mutually, Company at its discretion, on its own or on the request of the CONTRACTOR, may refer the dispute to Outside Expert Committee ("OEC") to be constituted by Corporate Business Committee (CBC), OIL as provided hereunder:

- a) The party desirous of resorting to conciliation shall send a notice of 30 (thirty) days to the other party of its intention of referring the dispute for resolution through OEC. The notice invoking conciliation shall specify all the points of disputes with details of the amount claimed to be referred to OEC and the party concerned shall not raise any new issue thereafter.
- b) OIL shall nominate three outside experts, one each from Financial/commercial, Technical and Legal fields from the Panel of Outside Experts maintained by OIL who shall together be referred to as OEC (Outside Experts Committee).

-------------------------	--	--

- c) Parties shall not claim any interest on claims/counterclaims from the date of notice invoking conciliation till execution of settlement agreement, if so arrived at. In case, parties are unable to reach a settlement, no interest shall be claimed by either party for the period from the date of notice invoking conciliation till the date of OEC recommendations in any further proceeding.
- d) The Proceedings of the OEC shall be broadly governed by Part III of the Arbitration and Conciliation Act, 1996 including any modifications thereof. Notwithstanding above, the proceedings shall be summary in nature and Parties agree to rely only upon documentary evidence in support of their claims and not to bring any oral evidence in the OEC proceedings.
- e) OEC shall hear both the parties and recommend possible terms of settlement between the parties. The recommendations of OEC shall be non-binding and the parties may decide to accept or not to accept the same. Parties shall be at liberty to accept the OEC recommendation with any modification they may deem fit.
- f) Where recommendations are acceptable to both the parties, a settlement agreement will be drawn up in terms of the OEC recommendations or with such modifications as may be agreed upon by the parties. The settlement agreement shall be signed by both the parties and authenticated by all the OEC members either in person or through circulation. This settlement agreement shall have the same legal status and effect as that of an arbitration award on agreed terms on the substance of the dispute rendered by an arbitral tribunal under Section 30 of the Arbitration and Conciliation Act, 1996.
- g) OIL will share all other guidelines regarding reconciliation through OEC with the CONTRACTOR when it resorts to settlement through OEC. Both parties agree to adhere to these guidelines.
- h) All the expenditure incurred in the OEC proceedings shall be shared by the parties in equal proportion. The parties shall maintain account of expenditure and present to the other for the purpose of sharing on conclusion of the OEC proceedings.
- i) The OEC proceedings must be completed within a period of 3(three) months from the date of constitution of the OEC with a provision of extension of one months, subject to mutual agreement. The Place of OEC shall be either at New Delhi or Guwahati.
- j) If the parties are not able to resolve the dispute through OEC or do not opt for conciliation through OEC, the party may invoke arbitration clause as provided in the contract.
- k) The parties shall be represented by their in-house employees/executives. No party shall bring any advocate or outside consultant/advisor/agent. Ex-officers of OIL who have handled the matter in any capacity directly or indirectly shall not be allowed to attend and present the case before OEC on behalf of Contractor. However, ex- employees of parties may represent their respective organizations.

- 1) Solicitation or any attempt to bring influence of any kind on either OEC Members or OIL is completely prohibited in conciliation proceedings and OIL reserves the absolute right to close the conciliation proceedings at its sole discretion if it apprehends any kind of such attempt made by the Contractor or its representatives.

42.5 Exclusions

Parties agree that following matters shall not be referred to conciliation or arbitration:

- i) Any claim, difference or dispute relating to, connected with or arising out of OIL's decision to initiate any proceedings for suspension or debarment or banning, or decision to suspend or to ban or to debar business dealings with the bidder/CONTRACTOR and/or with any other person involved or connected or dealing with bid/contract/bidder/CONTRACTOR.
- ii) Any claim, difference or dispute relating to, connected with or arising out of OIL's decision under the provisions of Integrity Pact executed between OIL and the Bidder/CONTRACTOR.
- iii) Any claim, difference or dispute relating to, connected with or arising out of OIL's decision to comply with any order or directive of any statutory or government authority.
- iv) Any claim which is less than Rs. 25 Lakh.

43.0 COMPLETION OF CONTRACT:

Unless otherwise terminated under the provisions of any other relevant Clause or extended through written communication, this Contract shall be deemed to have been completed at the expiry of the Period specified in the contract or period of defect liability, as provided for under the Contract, whichever is later.

44.0 TERMINATION:

- 44.1 **Termination on expiry of the contract:** This Agreement shall be deemed to have been automatically terminated on the expiry of the contract period unless OIL has exercised its option to extend this contract in accordance with the provisions, if any, of this contract.
- 44.2 **Termination of contract for death:** If the CONTRACTOR is an individual or a proprietary concern and the individual or the proprietor dies or if the CONTRACTOR is a partnership concern and one of the partners dies then unless, the COMPANY is satisfied that the legal heir of the individual or the proprietary concern or the surviving partners are capable of carrying out and completing Contract, the COMPANY is entitled to cancel the Contract for the uncompleted part without being in any way liable for any compensation payment to the estate of the deceased CONTRACTOR and/or to the surviving partners of the

CONTRACTOR's firm on account of the cancellation of Contract. The decision of the COMPANY in such assessment shall be final & binding on the parties. In the event of such cancellation, the COMPANY shall not hold the estate of the deceased CONTRACTOR and/or the surviving partners of CONTRACTOR's firm liable for any damages for non-completion of the Contract.

44.3 **Termination on account of Force Majeure:** Unless the contract provides otherwise, either party shall have the right to terminate this Contract on account of Force Majeure as set forth in Article-31.0 above.

44.4 **Termination on account of insolvency:** In the event that the CONTRACTOR or its collaborator or its guarantor at any time during the term of the Contract, becomes insolvent or makes a voluntary assignment of its assets for the benefit of creditors or is adjudged bankrupt or under the process of insolvency or liquidation, then the COMPANY shall, by a notice in writing have the right to terminate the Contract and all the CONTRACTOR's rights and privileges hereunder, shall stand terminated forthwith.

However, COMPANY shall be at liberty to give the Receiver or Liquidator or Insolvency Professional Manager, as appointed by the Competent Court/Tribunal, the option of carrying out the Contract subject to its technical & financial competence and his providing a guarantee for due and faithful performance of the Contract.

44.5 **Termination for Unsatisfactory Performance:** If the COMPANY considers that, the performance of the CONTRACTOR is unsatisfactory, or not as per the provision of the Contract, the COMPANY shall notify the CONTRACTOR in writing and specify in details the cause of dissatisfaction. The COMPANY shall have the option to terminate the Contract by giving 15 days' notice in writing to the CONTRACTOR, if CONTRACTOR fails to comply with the requisitions contained in the said written notice issued by the COMPANY. In the event CONTRACTOR rectifies its non-performance to the satisfaction of the COMPANY, the option of termination may not be exercised by the COMPANY. If however CONTRACTOR repeats non-performance subsequently, COMPANY shall exercise the option to terminate contract by giving 07 days' notice. Such CONTRACTOR shall be put on holiday as per the Banning Policy of OIL [available at www.oil-india.in].

44.6 **Termination due to change of ownership and Assignment:** In case the CONTRACTOR's rights and/or obligations under this Contract and/or the CONTRACTOR's rights, title and interest to the equipment/ material, are transferred or assigned without the COMPANY's written consent, the COMPANY may at its option, terminate this Contract. COMPANY shall not be however under any obligation to accord consent to the CONTRACTOR for change of ownership & assignment of the contract.

44.7 If at any time during the term of this Contract, breakdown of CONTRACTOR's equipment results in CONTRACTORS being unable to perform their obligations hereunder for a period of 15 successive days, COMPANY at its option, may terminate this Contract in its entirety or partially to the extent non-performance, without any further right or obligation on the part of the COMPANY, except for the payment of money then due. No notice shall be served by the COMPANY

under the condition stated above.

- 44.8 **Termination for delay in mobilization:** CONTRACTOR is required to mobilize complete equipment alongwith crew for commencement of services at the specified site within the maximum allowed number of days from the date of LOA/Notice for Mobilization as specified in the special conditions of contract. If the CONTRACTOR (successful bidder) fails to complete the mobilization as above, OIL shall have, without prejudice to any other clause of the CONTRACT, the right to terminate the contract.
- 44.9 Notwithstanding any provisions herein to the contrary, the Contract may be terminated at any time by the COMPANY on giving 30 (thirty) days written notice to the CONTRACTOR due to any other reason not covered under the above Article from 44.1 to 44.8 and in the event of such termination the COMPANY shall not be liable to pay any cost or damage to the CONTRACTOR except for payment of services as per the Contract upto the date of termination.
- 44.10 **Consequence of Termination:** In all cases of termination herein set forth, the relative obligations of the parties to the Contract shall be limited to the period up to the date of termination. Notwithstanding the termination of this Contract, the parties shall continue to be bound by the provisions of this Contract that reasonably require some action or forbearance after such termination.

Upon termination of this Contract, CONTRACTOR shall return to COMPANY all of COMPANY's properties, which are at the time in CONTRACTOR's possession.

In the event of termination of contract, COMPANY will issue Notice of termination of the contract with date or event after which the contract will be terminated. The contract shall then stand terminated and the CONTRACTOR shall demobilize their personnel & materials.

Demobilization charges shall not be payable by COMPANY in case of Article from 44.4 to 44.7.

45.0 **TO DETERMINE THE CONTRACT:**

In such an event the contract shall stand terminated and shall cease to be in force from the date of such notification by the COMPANY. Thereafter the CONTRACTOR shall stop forthwith any of the work then in progress, except those work which the COMPANY may, in writing, require to be done to safeguard any property or work, or installations from damages, and the COMPANY may take over the remaining unfinished work of the CONTRACTOR and complete the same through a fresh CONTRACTOR or by other means, at the risk and cost of the CONTRACTOR, and any of its sureties if any, shall be liable to the COMPANY for any excess cost occasioned by such work having to be so taken over and completed by the COMPANY over and above the cost at the rate/cost specified in the schedule of quantities and rates/prices.

46.0 WITHOUT DETERMINING THE CONTRACT:

To take over the work of the CONTRACTOR or any part thereof and complete the same through a fresh CONTRACTOR or by other means, at the risk and cost of the CONTRACTOR. The CONTRACTOR and any of its sureties are liable to the COMPANY for any excess cost over and above the cost at the rates specified in the schedule of quantities and rates/prices, occasioned by such work having been taken over and completed by the COMPANY.

47.0 ERRING/DEFAULTING AGENCIES:

Erring and defaulting agencies like bidder, CONTRACTOR, supplier, vendor, service provider will be dealt as per OIL's Banning Policy dated 6th January, 2017 available in OIL's website: www.oil-india.com. Moreover, OIL reserves the right to take legal or any other action on the basis of merit of the case.

48.0 MISCELLANEOUS PROVISIONS:

48.1 CONTRACTOR shall give notices and pay all fees at their own cost required to be given or paid by any National or State Statute, Ordinance, or other Law or any regulation, or bye-law of any local or other duly constituted authority as may be in force from time to time in India, in relation to the performance of the services and by the rules & regulations of all public bodies and companies whose property or rights are affected or may be affected in any way by the services.

48.2 CONTRACTOR shall conform in all respects with the provisions of any Statute, Ordinance or Law as aforesaid and the regulations or bye-law of any local or other duly constituted authority which may be applicable to the services and with such rules and regulation, public bodies and Companies as aforesaid and shall keep COMPANY indemnified against all penalties and liability of every kind for breach of any such Statute, Ordinance or Law, regulation or bye-law.

48.3 During the tenure of the Contract, CONTRACTOR shall keep the site where the services are being performed reasonably free from all unnecessary obstruction and shall store or dispose of any equipment and surplus materials and clear away and remove from the site any wreckage, rubbish or temporary works no longer required. On the completion of the services, CONTRACTOR shall clear away and remove from the site any surplus materials; rubbish or temporary works of every kind and leave the whole of the site clean and in workmanlike condition to the satisfaction of the COMPANY.

48.4 Key personnel cannot be changed during the tenure of the Contract except due to sickness/death/resignation of the personnel or any other justified situation in which case the replaced person should have equal experience and qualification, which will be again subject to prior approval, by the COMPANY.

SCOPE OF WORK

1.0 INTRODUCTION

Services of EIA study and associated works under the contract is envisaged for collection of data, study, analysis and report generation of various statutory/ operation related requirements for Upgradation Project of NSPL (Numaligarh – Siliguri Multiproduct Pipeline) Facilities for Transportation of Additional Products.

The Numaligarh–Siliguri Multiproduct Pipeline of length 654 Kmpresently has one Despatch Station at Numaligarh, One Receipt Terminal at Siliguri & 4 Intermediate Piggig Stations (IP) at Sekoni, Guwahati, Bongaigaon in Assam and Madarihat Stations in West Bengal. In order to evacuate additional product of NRL, OIL intends to setup Intermediate Pumping Stations at existing IP stations.

The existing IP stations are within the Crude Oil pumping station installations at Sekoni, Guwahati, Bongaigaon and Madarihat. Due to recent upgradation of Pump Station Project of NBPL, the earlier buildings, sheds and equipment became obsolete and needs to be dismantled to accommodate new facilities for augmentation of NSPL Capacity. OIL is taking up dismantling of major buildings in these Pumping Stations where the new sheds are to be erected for this project as per the proposed Plot Plan and equipment layout.

2.0 OBJECTIVE

To comply with statutory requirement of the EIA Notification 2006 and Environment (Protection) Act, 1986, NSPL facility upgradation project may require an environmental clearance under certain conditions from State Level Environmental Impact Assessment Authority (SEIAA) or MoEF. In order to adhere to the policies and environmental sustainability, OIL is intending to hire consultants for Environmental Impact Analysis, preparation of ERDMP, QRA study , and obtaining EC, if required for the project. The Consultant shall be entirely responsible for all studies and works as detailed in the Price Bid format till completion of work and receipt of necessary permissions/ approvals.

The objective of the EIA study report is to take stock of the prevailing quality of environment, to assess the impacts of proposed industrial activity on environment and to plan appropriate environmental control measures to minimize adverse impacts and to maximize beneficial impacts from the proposed project.

The following major objectives have been considered:

- a) Assess the existing status of land, air, noise, water and natural (biological-ecological) environment and socioeconomic component of environment including parameters of human interest covering the project site (Baseline survey).

CIP6958P22	OIL INDIA LTD. GUWAHATI Page 67 of 125
-------------------------	--	--

- b) To evaluate significant qualitative impact of the proposed project on the major environment components.
- c) To prepare an Environmental Impact Assessment Statement based on predictions, identification and evaluation of the impacts of the proposed project.
- d) To prepare an Environmental Management Plan (EMP) outlining preventive and control strategies for minimizing adverse impact on environment due to the proposed project including formulation of an Environmental Monitoring Plan during the operation phase of the project.
- e) To carry out Risk assessment and prepare Emergency Response and Disaster Management Plan (ERDMP)
- f) Assess financial considerations for suggested environmental control plans.
- g) Generation of EIA Study Report as per the generic structure for Petroleum Pipelines, approved TORs and latest guidelines/amendments issued by Ministry of Environment and Forests, Govt. of India and other Central/State Government authorities statutory guidelines either existing or issued from time to time.
- h) Clearances from statutory authorities, as required

STUDY AREA

EIA shall be carried out for the following Terminals and Pump Station locations for proposed NSPL facility upgradation project

- 1. Numuligarh Despatch Terminal (NDT)
- 2. Pump Station no-4, Sekoni
- 3. Pump Station no-5, Noonmati
- 4. Pump Station no-6, Bongaigaon
- 5. Pump Station no-7, Madarihat
- 6. Rangapani Terminal (RT)

3.0 SCOPE OF WORK

Please refer Price Bid Format (enclosed as a separate file) for Schedule of works under the contract. It consists of mandatory/ firm items and optional items. Optional items (Environmental Clearance) mentioned in the schedule shall be executed by the consultant upon getting written confirmation from OIL's engineer-in-charge.

The scope of work for the study to be carried out shall include but not be limited to the following activities/studies:

PIPELINE HEADQUARTER	HIRING THE SERVICES FOR ENVIRONMENTAL IMPACT ASSESSMENT (EIA) STUDY AND ASSOCIATED SERVICES RELATED TO UPGRADATION PROJECT OF NSPL (NUMALIGARH – SILIGURI MULTIPRODUCT PIPELINE) FACILITIES FOR TRANSPORTATION OF ADDITIONAL PRODUCTS E-TENDER NO. - 3.1. Environmental Impact Assessment (EIA) study shall include collection of primary and secondary baseline data through field investigations, environmental monitoring and from secondary sources viz.; maps, reports and scientific literatures etc. The collected data then be analysed for identification of impacts and arrive at cost effective mitigation measures. The overall activities that are to be studied for each environmental component are described briefly as under:
- a. Potable water monitoring in the vicinity.
 - b. Air Pollution quality monitoring.
 - c. Noise Pollution monitoring.
 - d. Biological environment; Flora and Fauna in the area, if any.
 - e. Socio-economic and Public Health environment study.
 - f. Air Quality, Source of Pollution and remedies.
 - g. Water Quality, Source of Pollution and remedies.
 - h. Land environment study
 - i. Source of Hazardous Waste and disposal/remedies.
- 3.2. To carry out assessment of prevailing situation relating to the environment, human beings and local communities, the flora & fauna in the area and around the adjoining or neighbouring areas in the aforesaid industrial activity.
- 3.3. To establish the likely effect on the environment, human beings and local communities, the flora and fauna in the area and in the adjoining or neighbouring areas in consequence of proposed NSPL augmentation project by OIL and submit a draft report for consideration by OIL, the methods and measures contemplated as mentioned in approved TORs for minimising environmental damage and carrying out Site Restoration activities.
- 3.4. To carry out Environmental Impact Assessment (EIA) study as per the General Terms of Reference (TOR) issued by Ministry of Environment and forests (MoEF), New Delhi. (TOR is specified in clause 4 below).
- 3.5. To prepare draft EIA/EMP, Risk Assessment reports, ERDMP etc. outlining preventive and control strategies for minimising adverse impact complying to requirements of the EIA Notification dated 14th September 2006, approved TORs and latest guidelines/amendments issued by Ministry of Environment and Forests, Govt. of India from time to time. The EMP should include set of recommendations for air, water, noise and soil quality management, solid and hazardous waste management, conservation of wildlife and forest protection during the intended job. Also, the EMP should include all aspects specified in the TORs.
- 3.6. To be present during Public Hearing process, make necessary presentation in local language (if required) and to address all the environmental concerns based on the feedback of Public Hearing/ Public consultations and to incorporate the issues emerged during the Public hearing in the Final EIA/ EMP report.

- 3.7. To prepare the final EIA/EMP, RISK ASSESSMENT, ERDMP, reports etc. after review by OIL. Further, if any studies are to be repeated or modified as advised by the Statutory bodies for obtaining statutory clearance(s) then the same shall be carried out by the consultant at no extra cost to OIL.
- 3.8. To assist in fulfilling all the formalities including submission of application along with requisite documents to the authority and follow up for obtaining Statutory Clearance.
- 3.9. If required, To be present and make presentation to Expert Appraisal Committee (EAC) of MOE&F, New Delhi and officials of State Pollution Control Board, as and when required clarifying any issues that may be raised by them.
- 3.10. Finalize the EIA report based on the inputs of public hearing and submit the same to EAC/MoEF (if applicable).
- 3.11. Follow up with State Pollution Control Board and MoEF etc as required for expeditious grant of EC.
- 3.12. Prepare and submit the application for Consent to Establish (CTE) after review by OIL and follow-up with the State Pollution Control Board.
- 3.13. Study and preparation of Quantitative Risk analysis (QRA) report for the consequences of hazardous events, identifying critical assumptions and risk driving assumptions.

NOTE: Areas to be covered for various studies are also tabulated in sample reporting formats enclosed in this part of the tender as Supplemental. Consultant shall following industry standard/ sample formats after consultation with project owner.

4.0 STANDARD TERMS OF REFERENCE (TOR) FOR CONDUCTING ENVIRONMENT IMPACT ASSESSMENT

Standard TOR shall be followed for EIA study, as applicable

- 1) Justification of the project
- 2) Route map indicating project location.
- 3) Details of land to be acquired. Details of projects vis-à-vis Ecological Sensitive Areas and approvals thereof.
- 4) Project location along with map of 1 km area (500 meters on either side of the proposed project area from center line) and site details providing various industries, surface water bodies, forests etc.
- 5) Analysis of alternative sites and technology.
- 6) Location of National Park/Wild life sanctuary/Reserve Forest within 10 km radius of the project.
- 7) Status of clearance from NBWL for pipeline passing through wildlife sanctuary/ Eco-logical sensitive area (if applicable).

- 8) Recommendation of SCZMA /CRZ clearance for the proposed pipeline (if applicable).
- 9) Present land use based on satellite imagery for the study area of 10 km radius.
- 10) Details of applications filed for forest clearance to be obtained for the project for the forest land involved in the project along with details of the compensatory a forestation.
- 11) Process Description along with Process Flow Diagram.
- 12) Details of associated facilities/utilities to be installed.
- 13) Details of water consumption and source of water supply, waste water generation, treatment and effluent disposal.
- 14) Detailed solid & Hazardous waste generation, collection, segregation, its recycling and reuse, treatment and disposal.
- 15) Total cost of the project along with total capital cost and recurring cost/annum for environmental pollution control measures.
- 16) Site-specific micro-meteorological data for temperature, relative humidity, hourly wind speed and direction and rainfall for one season at one location.
- 17) Ambient air quality monitoring within the study area of 500 m along the pipeline route and around the pumping station and delivery station for PM_{2.5}, PM₁₀, SO₂, NO_x, CO, HC, VOC for one season (Non-Monsoon) taking into account the pre-dominant wind direction at the representative locations covering population zone and sensitive receptors including reserved forests.
- 18) Determination of atmospheric inversion level and assessment of ground level concentration of pollutants. Air quality modelling for proposed project.
- 19) Water monitoring to be conducted including surface & ground water for one season (Non-Monsoon).
- 20) Soil sample analysis within the study area for one season (Non-Monsoon).
- 21) Noise Monitoring will be taken up for one season (Non-Monsoon)
- 22) Demography & socio-economics of the study area.
- 23) Ecological features (terrestrial & Aquatic) of the study area for one season (Non-Monsoon)
- 24) Assessment of impact on air, water, soil, solid/ hazardous waste and noise levels.
- 25) A detailed note on method to be used for crossing road, nalla, stream, rivers, railway line etc.
- 26) Air pollution control measures proposed for the effective control of gaseous emissions within permissible limits.

- 27) Details of proposed preventive measures for leakages and accident.
- 28) Risk assessment including Hazard identification, Consequence Analysis, Risk Assessment and preparation of Disaster Management Plan as per Regulations.
- 29) Corrosion Management of Pipeline
- 30) Details of proper restoration of land after laying the pipelines.
- 31) Details of proposed Occupational Health Surveillance program for the employees and other labour
- 32) Detailed Environment Management Plan (EMP) with specific reference to Energy conservation and natural resource conservation, details of air pollution control system, water & wastewater management, monitoring frequency, responsibility and time bound implementation plan for mitigation measure will be provided.

5.0 TIME FRAME FOR EIA STUDY:

- a) Contractor shall submit the draft EIA Study report as per the approved Terms of Reference(TOR) incorporating the inputs from Public Hearing (if required).
- b) If required by EAC/MoEF, Contractor shall conduct the public hearing on behalf of OIL. Contractor shall make all necessary arrangements for successful conduct of Public Hearing within due time as per date given by Expert Appraisal Committee (EAC) of MoEF or date as notified by OIL. Contractor shall also do necessary follow- up action with government authorities to submission of Minutes of Public Hearing & Submission of final EIA report to SPCB & MoE&F after incorporating suggestions/concerns expressed during Public Hearing. The quoted price shall be deemed to include all such expenditure for successful conduct of Public Hearing.
- c) Contractor shall submit the final EIA report with other required documents (after review/approval by OIL) to MoEF for grant of EC. Contractor shall also arrange to provide any other additional information/ data if required by EAC/MoEF for grant of EC. Contractor shall obtain the Environmental Clearance (if required) within the timeline specified in EIA notification 2006.
- d) Contractor shall prepare and submit application for Consent to Establish (CTE) for various installations of the project on receipt of all related information and documents from OIL. Contractor shall obtain the requisite permits from SPCB within 90 days from the date of application. In case of any delay for reasons which are not in control of owner/ consultant, prior approval will be taken from owner.

The Contractor shall complete the activities **of Phase-I, Phase II** as detailed below and thereafter the contractor shall be associated with Company for obtaining the **Environmental Clearance (EC)**. The detailed time frame for the execution of the Contract will be as follows:

- v) If required, Presentation during Public Hearing: To be present during Public Hearing and make presentation. The presentation shall also be made in local language.
- vi) Review of the Draft EIA Report after Public Hearing: Considering Company's views/comments, the approved draft EIA report shall be reviewed incorporating all the issues raised/discussed during Public Hearing/Consultation meeting.
- vii) Preparation of Final Report: After review of the Draft EIA report based on Public Hearing issues, the final EIA report shall be prepared covering all the points as per Terms of Reference/Technical specifications and compliance of any other statutory recommendations issued by the Statutory Authorities, if available. The copy of the bidder's (consultants) QCI/NABET accreditation certificate shall be included in the final EIA report.
- viii) Submission of Final Report: 2 copies (both in hard & soft copy) of Final Draft EIA report shall be submitted to the Company for approval.
- ix) **Application for EC (If required):**
 - I. To assist in preparation of all the documents including the application for obtaining EC.
 - II. To make presentation to EAC members, MoEF at New Delhi for obtaining EC.
 - III. **Copies of applications for EC from the MOE&F and NOC from the SPCB:**
One copy each of these applications must be submitted to OIL.

6.2 FINAL REPORT:

- (i) Submission of 3 hard Copies of Draft Report on EIA Study along with 3 soft copies of report in CD/DVD/ Pen drive for company's review. Risk Analysis (hazard identification, MCA analysis, HAZOP) reports shall be submitted as Annexure to EIA/EMP,
- (ii) 3 Hard copies and 3 soft copies ERDMP and Quantitative Risk analysis(QRA) reports shall be submitted as separate reports for six Pump Stations and Terminals.

7.0 EXPERIENCE/QUALIFICATION OF BIDDER'S PERSONNEL:

As the EIAs are multi-disciplinary activities where inputs are required from specialists having knowledge of the sector/ industry for which EIAs are to be carried out as well as in the functional areas like land use, air pollution control, air

PIPELINE HEADQUARTER	HIRING THE SERVICES FOR ENVIRONMENTAL IMPACT ASSESSMENT (EIA) STUDY AND ASSOCIATED SERVICES RELATED TO UPGRADATION PROJECT OF NSPL (NUMALIGARH – SILIGURI MULTIPRODUCT PIPELINE) FACILITIES FOR TRANSPORTATION OF ADDITIONAL PRODUCTS E-TENDER NO. quality modelling, water pollution control, noise and vibration, ecology and bio-diversity, socioeconomic aspects, risks and hazard management etc., hence the:

- a) Successful Bidder must provide competent personnel having expertise in all functional areas to carry out required environmental impact assessment studies most efficiently.
- b) Bidders must provide the details of experience of their personnel to be deployed for the study along with their bid. Curriculum vitae of the personnel proposed to be deployed by the bidder must accompany the bid document. All personnel proposed to be deployed must be fluent in speaking English.
- c) The bidder shall specify the name of the key person, the EIA co-ordinator, for the EIA study. The key person should have broad knowledge about the project and clear understanding about the related functional areas. The Coordinator should be thoroughly aware of national and global environmental concerns and be familiar with all relevant environmental regulations, the EIA Notification and its Amendments and the public consultation procedures. Also, the coordinator should have experience of completion of 1 (one) no. EIA study.
- d) Contractor's personnel shall be fluent in English language (both writing and speaking).
- e) **Accreditation Certificate:** Bidders must submit Certificate of Accreditation from QCI/NABET agency along with the technical bid. (*NABET: National Accreditation Board for Education & Training, QCI- Quality Council of India*)

8.0 OTHER TERMS AND CONDITIONS:

- i. In addition to the Indian laws and regulations specified under General Conditions of the Contract, any other Indian laws applicable to Environmental Impact Assessment study shall be binding to the bidder.
 - Some are mentioned below for easy reference:
 - EIA Notification 2006 with latest amendment.
 - Environmental (Protection) Act, 1986
 - Wildlife Protection Act, 1972
 - Forest Conservation Act, 1980.
 - Hazardous Wastes (Management and Handling) Rules, 1989
 - Oil Industry Safety Directorate (OISD) guidelines.
 - Air (Prevention and Control of Pollution) Act, 1981
 - Water (Prevention and Control) Act, 1974
 - CPCB guidelines

- ii. The arrangement of necessary permits from the concerned authorities to carry out the EIA study will be the sole responsibility of the bidder.
- iii. The bidder shall arrange accommodation, food, transportation for its people to be deployed at site for carrying out the job at his own cost. OIL will not be responsible for it.
- iv. The successful bidder shall submit a document containing detailed information of the personnel, along with the photographs, deployed by the bidder for execution of the jobs to the company before initiation of EIA activities.
- v. The bidder shall be responsible for providing necessary PPE for the work related activities of the personnel. The bidder shall be responsible for any work related accidents throughout the contract period.
- vi. The bidder shall be directly responsible for overall safety of the personnel deployed by him for the purpose. In no case, Company will be held responsible for safety of the bidder's personnel engaged against the said contract.
- vii. The bidder shall submit the documents of compliance of minimum wages act every month, in case of deployment of contractual labourer.
- viii. Bidder shall replace any of their personnel(s) at any point of time during the contractual period if, in the opinion of the Company, found not suitable for any reason.
- ix. One Nodal representative from the contractor side should continue from the start of the project till its completion.

SUPPLEMENT-I: ACTIVITIES THAT ARE LIKELY TO BE STUDIED FOR EACH ENVIRONMENTAL COMPONENT:

General description of activities that are likely to be studied are:

9.1 Air Environment:

- (i) Determination of impact zone (thorough a screening model) and developing a monitoring network.
- (ii) Monitoring the existing status of ambient air quality within the impacted region (10 km on both sides of the proposed project site)
- (iii) Monitoring the site-specific meteorological data, viz., wind speed and direction, humidity, and ambient temperature.
- (iv) Identification, quantification and evaluation of other potential emissions (including those of vehicular traffic) within the impact zone and estimation of cumulative impact of all the emissions/impacts.
- (v) Evaluation of the adequacy of the proposed pollution control methods and devices to meet gaseous emission and ambient air quality standards.
- (vi) Delineation of mitigation measures at source, pathways and receptors.

9.2 Noise Environment:

- (i) Monitoring the present status of ambient noise levels within the impact zone, and prediction of future noise levels resulting from the proposed project and related activities including increase in vehicular movement.
- (ii) Identification of impacts due to any anticipated for noise levels on the surrounding environment.
- (iii) Recommendations on mitigation measures for noise pollution.

9.3 Water Environment:

- a) Study of water quality and quantity of the water sources within the impact zone.
- b) Assessment of wastewater characteristics and quantity of effluent likely to be discharged during the operations.
- c) Suggestions of suitable measures for prevention and control of water pollution.
- d) Study of existing ground and surface water resources with respect to quantity and quality within the impact zone of the proposed project.
- e) Prediction of impacts on water resources due to the proposed water use/pumping on account of the project.
- f) Evaluation of the proposed pollution prevention and waste water treatment system and suggestions on modification, if required.

-------------------------	--	--

- g) Prediction of impacts of effluent discharge on the quality of the receiving water body using appropriate mathematical simulation models.
- h) Assessment of the feasibility of water recycling and reuse and delineation of detailed plan in this regard.

9.4 Biological Environment:

- a) Survey of flora and fauna clearly delineating season and duration.
- b) Assessment of flora and fauna present within the impact zone of the project.
- c) Assessment of potential damage to terrestrial and aquatic flora and fauna due to discharge of effluents and gaseous emissions
- d) Assessment of damage to aquatic flora and fauna due to air pollution, and use and landscape changes
- e) Assessment of damage to aquatic flora and fauna (including commercial fishing) due to physical disturbances and alterations
- f) Prediction of biological stresses within the impact zone of the proposed project
- g) Delineation of mitigation measures to prevent and / or reduce the damage.

9.5 Land Environment:

- a) Studies on soil characteristics, existing land use and topography, landscape and drainage patterns within the impact zone.
- b) Estimation of impacts of project on land use, landscape, topography, drainage and hydrology.
- c) Identification of potential utility of treated effluent in land application and subsequent impacts.
- d) Estimation and characterization of solid wastes and delineation of management option for minimization of waste and environmentally compatible disposal.

9.6 Socio-economic and Health Environment:

- a) Collection of demographic and related socio-economic data.
- b) Collection of epidemiological data, including studies on prominent endemic diseases (e.g., fluorosis, malaria, filaria, malnutrition) and morbidity rates among the population within the impact zone.
- c) Projection of anticipated changes in the socio-economic and health due to the project and related activities including traffic congestion and delineation of measures to minimize adverse impacts.
- d) Assessment of impact on significant historical, cultural and archaeological sites/plates in the area.

- e) Assessment of economic benefits arising out of the project.
- f) Assessment of rehabilitation requirements with special emphasis on scheduled areas, if any.

9.7 Risk Assessment:

- a) Hazard identification taking recourse to hazard indices, inventory analysis Natural Hazard Probability, etc.
- b) Maximum Credible Accident (MCA) analysis to identify potential hazardous scenarios
- c) Consequence analysis of failure and accidents resulting in fire, explosion, hazardous releases, etc.
- d) Hazard & Operability (HAZOP) studies
- e) Assessment of risk on the basis of the above evaluations
- f) Preparation of an onsite and offsite (project affected area) Disaster Management Plan.

9.8 Environment Management Plan:

- a) Delineation of mitigation measures including prevention and control for each environmental component and rehabilitation plan, if necessary.
- b) Delineation of monitoring scheme for compliance of conditions.
- c) Delineation of implementation of plan including public consultation, scheduling and resource allocation.

EIA study should be in accordance with the above broad scope and will have to meet all the requirements under the relevant guidelines of the Ministry of Environment & Forests, Government of India and the Central Pollution Control Board.

SUPPLEMENT-II: SAMPLE STRUCTURE FOR EIA/ERDMP/QRA REPORT:

EIA Report : As per MOEF notification/ guideline & TOR will be followed. Following structure is shown as minimum requirement:

Executive Summary		Non-technical executive summary of the Environmental Impact Assessment (EIA) and the Environmental Management Plan (EMP), highlighting the main conclusions.
1	Introduction	Describes background to the project, the proponent (partners, operator), the environmental policies, principles, EMS and past environmental performance of the operator and summarizes the initial environmental examination, scoping (issues & study area), methodology, and approach undertaken.
2	The proposed development (include maps, drawings as required)	Describes proposed operations (including associated activities e.g., construction of buildings, road building, transportation of materials etc.), consumption of natural resource, emissions and discharges into the atmosphere and alternatives considered.
3	Description of the existing Environment (include location, maps, photo-documentation, geographical distribution of environmental and social-economic characteristics with respect to project location)	Describes the background environmental (physicochemical, biological) and social-economic characteristics in the area of the proposed operations (Baseline Data). This may be in the form of statistical, graphical representation of data and primarily include conclusive, interpretative information with respect to variance, regulatory standards and guidelines, comparative analysis with respect to available regional data.
4	Environmental Impacts and mitigation measures	Defines the environmental interactions as part of the project (including consumption/demand on natural, socio-economic resources and generation, degradation of the same). Potential impacts due to the proposed operations, requirement and details of the control and mitigation measures to be implemented to eliminate or limit the potential negative impacts.

		Identify all the regulations, international conventions and stakeholders (mainly regulators, NGOs and local communities) relevant to the proposed development and the baseliner environment of the location. Describe the environmental and socio-economic provisions with respect to the regulations and conventions and analyse their implications on the planning and implementation of the project.
5	Environmental Management and Monitoring Plan	Provides and Environmental Aspects Register with an outline of how the project will be managed to ensure protection of the environmental throughout the life of the proposed operations. The section should specifically include provision of “Change management” (to accommodate changes in project planning and implementation). The section should also include organizational resources, communication and documentation, training and monitoring requirement to fulfil the SMS requirements.
6	Conclusions	Summarizes main conclusions of the environmental assessment.
7	References	Sources consulted in preparing the Report.
8	Glossary of Terms	Definitions of the Technical terms and abbreviations.
9	Appendices	Standards for various environmental elements.

SUPPLEMENT-III: SAMPLE FORMAT FOR ERDMP REPORT:

INTEGRITY PACT

Between

Oil India Limited (OIL) hereinafter referred to as "The Principal"

And

(Name of the Bidder).....hereinafter referred to as "The Bidder/Contractor"

Preamble:

The Principal intends to award, under laid down organizational procedures, contract/s for -----
------. The Principal values full compliance with all relevant laws and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidder/s and Contractor/s.

In order to achieve these goals, the Principal cooperates with the renowned international Non-Governmental Organization "Transparency International" (TI). Following TI's national and international experience, the Principal will appoint an external independent Monitor who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section: 1 - Commitments of the Principal

(1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:

1. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for him/herself or third person, any material or immaterial benefit which he/she is not legally entitled to.

2. The Principal will, during the tender process treat all Bidders with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder could obtain an advantage in relation to the tender process or the contract execution.

3. The Principal will exclude from the process all known prejudiced persons.

(2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions.

Section: 2 - Commitments of the Bidder/Contractor

(1) The Bidder/Contractor commits itself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.

1. The Bidder/Contractor will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or immaterial benefit which he/she is not legally entitled to, in order to obtain

in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

2. The Bidder/Contractor will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, Subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

3. The Bidder/Contractor will not commit any offence under the relevant Anticorruption Laws of India; further the Bidder/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

4. The Bidder/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

(2) The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 - Disqualification from tender process and exclusion from future Contracts

If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or risibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

1. If the Bidder/Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is entitled also to exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.

2. The Bidder accepts and undertakes to respect and uphold the Principal's Absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.

3. If the Bidder/Contractor can prove that he has restored/recouped the Damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.

4. A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.

Section 4 - Compensation for Damages

1. If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to 3 % of the value of the offer or the amount equivalent to Earnest Money Deposit/, whichever is higher.

-------------------------	--	---

2. If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to 5% of the contract value or the amount equivalent to Security Deposit/Performance Bank Guarantee, whichever is higher.
3. The Bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish that the exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount or the liquidated damages, the Bidder/Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

Section 5 - Previous transgression

1. The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

Section: 6- Equal treatment to all Bidders/Contractor/Subcontractors

1. The Bidder/Contractor undertakes to demand from all subcontractors a commitment in conformity with this Integrity Pact, and to submit it to the Principal before contract signing.
2. The Principal will enter into agreements with identical conditions as this one with all Bidders, Contractors and Subcontractors.
3. The Principal will disqualify from the tender process all Bidders who do not sign this Pact or violate its provisions.

Section: 7- Criminal charges against violating Bidders/Contractors/ Subcontractors

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

Section: 8 - External Independent Monitor/Monitors

(Three in number depending on the size of the contract)

(To be decided by the Chairperson of the Principal)

1. The Principal appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.
3. The Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his

project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/Contractor/Subcontractor with confidentiality.

4. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.

5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The Monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.

6. The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.

7. If the Monitor has reported to the Chairperson of the Board a Substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

8. The word 'Monitor' would include both singular and plural.

Section: 9 - Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairperson of the Principal.

Section:10 - Other provisions

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. Noida.

2. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

3. If the Contractor is a partnership or a consortium, this agreement must be, signed by all partners or consortium members.

4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.

ANNEXURE-N**RESTRICTIONS ON PROCUREMENT FROM A BIDDER OF A COUNTRY WHICH SHARES A LAND BORDER WITH INDIA**

1.0 Ministry of Finance of Govt. of India, Department of Expenditure, Public procurement Division vide office memorandum F. No. 6/18/2019-PPD dated 23rd July, 2020 (order-Public Procurement no.1) has proclaimed the insertion of Rule 144 (xi) in the General Financial Rules (GFRs), 2017 w.e.f. 23rd July, 2020 regarding restrictions on procurement from a bidder of a country which shares a land border with India on the grounds of defence of India on matters directly or indirectly related thereto including national security. Bidders are requested to take note of the following clauses and submit their offers accordingly wherever applicable.

Bidders must submit duly sealed & signed undertaking as per format provided vide, “**Annexure-XX**” along with the technical bid.

I. Any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority.

Validity of Registration:

In respect of tenders, registration should be valid at the time of submission of bids and at the time of acceptance of bids. In respect of supply otherwise than by tender, registration should be valid at the time of placement of order. If the bidder was validly registered at the time of acceptance/placement of order, registration shall not be a relevant consideration during contract execution.

II. “Bidder” (including the term ‘tenderer’, ‘consultant’ or ‘service provider’ in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency branch or office controlled by such person, participating in a procurement process.

III. “Bidder from a country which shares a land border with India “for the purpose of this Order means: -

- a. An entity incorporated, established or registered in such a country; or
- b. A subsidiary of an entity incorporated, established or registered in such a country; or
- c. An entity substantially controlled through entities incorporated, established or registered in such a country; or
- d. An entity whose beneficial owner is situated in such a country; or
- e. An Indian (or other) agent of such an entity; or
- f. A natural person who is a citizen of such a country; or
- g. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above.

IV. The beneficial owner for the purpose of (iii) above will be as under:

1. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has a controlling ownership interest or who exercises control through other means.

Explanation –

- a. “Controlling ownership interest” means ownership of or entitlement to more than twenty-five per cent of shares or capital or profits of the company;

- b. “Control” shall include the right to appoint majority of the directors or to control the management or policy decisions including by virtue of their shareholding or management rights or shareholders agreements or voting agreements;

2. In case of a partnership firm, the beneficial owner is the natural person (s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership.

3. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership or entitlement to more than fifteen percent of the

STARTUP AND MSE VENDORS

In case a Startup *[defined as per Ministry of Commerce and Industry (Department of Industrial Policy and Promotion, DIPP) latest notification]*/ MSE is interested in supplying the tendered item but does not meet the Pre-Qualifying Criteria (PQC)/ Proven Track Record (PTR) indicated in the tender document, the Startup/MSE is requested to write a detailed proposal separately, and not against the present tender requirement, to the tender issuing authority about its product. Such proposals shall be accompanied by relevant documents in support of MSE (where applicable) or in case of Startup, following documents shall be given:

1. Certificate of Recognition issued by the Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, Government of India.
2. Certificate of incorporation.
3. Audited Profit & Loss (P&L) Statement of all the Financial Years since incorporation. In case where the Balance sheet has not been prepared, bidder shall submit a certificate in original from its CEO/CFO stating the turnover of the bidding entity separately for each Financial Years since incorporation along with a declaration stating the reason for not furnishing the audited P&L Statement. This certificate shall be endorsed by a Chartered Accountant/Statutory Auditor.

The Proposal shall be examined by OIL and OIL may consider inviting a detailed offer from the Startup/MSE with the intent to place a TRIAL or TEST Order, provided the Startup/MSE meets the Quality and Technical Specifications.

In case the Startup/MSE is successful in the Trial Order, the vendor shall be considered for PQC exemption/relaxation (as the case may be) for the next tender for such item till the time it remains a Startup/MSE.

GeM Availability Report and Past Transaction Summary

GeM Availability Report and past transaction summary report is generated based on the specifications searched by the Buyer. The specification may be modified appropriately for searching relevant categories on GeM. Buyer may navigate to GeM category page by clicking on the category link to view category specifications and products/services available in the category.

Order Count and Order Value displayed is on a cumulative basis since GeM inception.

1. Search String: SERVICES FOR ENVIRONMENTAL IMPACT ASSESSMENT

Search type: Service

1. There are categories available on GeM matching your requirements (as listed here). You can create a bid on GeM with a product closest matching your required specifications and add additional parameters in specifications through Corrigendum using RMS functionality.
2. If you feel that category TP needs updating you can submit category updating request also through RMS.
3. If you do not want to use any of the above option and want to proceed for procurement outside GeM, please suggest the specifications of the required product for creation of new category on GeM for future procurement.

Search Result: Category available/suggested on GeM but marked as "not matching requirements" by the buyer with undertaking as under:

It is certified that I have thoroughly checked all probable categories suggested by GeM and I am satisfied that the product required is not covered / does not fall in any of the suggested categories and can not be procured under any of these categories even after inclusion of List of Values(LOV) wherever possible in category specifications of suggested categories. It is also certified that the technical specification requirement are such that these can not be covered even by adding specification parameters using ATC in any of the GeM suggested categories. This is a one-time requirement hence new category creation is not proposed / or requirement is recurring but request for new category creation will be submitted separately post generation of GeMARPTS.
