- viii. Unit should have latest communication ports like USB and Ethernet ports.
- ix. Pre-location unit should be standalone unit with inbuilt battery operation. Unit should be rugged and a weather proof casing with IP54 rating.
- x. Memory: The Kit shall be automatically store min 300 traces in memory with complete information of operation mode, date, time and other relevant parameter.
- xi. Measuring modes: Normal / core, comparison, difference.
- xii. In Arc reflection mode, unit should capture multiple fault traces (15 traces or more) on one single surge pulse. User should be able to select the best out of all the traces using the control knob.

a. Integrated D.C. Testing Unit

This facility will be used to pressure test the power cables and conditioning of High Resistance and Unstable faults and should be operational through control unit provided with auto ranging voltmeter and ammeter having digital display with possible graphical representation.

Range: 0-24kV min, Continuously Variable.

Fault Burning: 0-16kV, 200 mA

Sheath Fault Locating: 0-5KV, 120 mA

Unit should be able to measure the leakage current on the unit itself.

5. Safety Of The Operator:

The unit should provide a visual indication of failure of safety circuits/incorrect selection etc. with possible corrective methods.

The system shall be capable of the following:

- Separate high voltage ON and OFF button should be available on the HV unit.
- Interlocking and protection from wrong operation.
- Automatic discharge of high-voltage testing devices via discharge circuit breakers upon intentional tripping or auxiliary voltage failure.
- Monitoring, control and distribution of auxiliary voltage 230 V, 50 Hz from the network via Isolating and Protection Transformer or from its own generator.

6. Accessories :

The unit shall be supplied with all the essential accessories shall be supplied along with the kit. However, following shall be essentially be supplied with the kit:

- i. HV Cable – min 15mtrs.
- ii. Main Power Supply lead cable - min 15mtrs on a drum.
- iii. Earthing Cable - min 15mtrs on a drum.
- iv. User manual

7. Certification/Standard Compliance:

- i. Both the offered models of surge generator and the pre-fault locator shall have test certificate from national or foreign laboratory having NABL or any international accreditations.
- ii. The bidders shall have to submit test certificates along with their offer/bid.

General Notes:

- i. The unit shall be portable, compact and of rugged construction. Wheels shall be mounted on the Surge generator for ease of moving and loading in vehicle.
- ii. EMI resistance: nearby cables shall be in charged condition; hence the accuracy of the set being offered shall not suffer
- iii. The ranges and specifications mentioned in the specifications are the minimum required. Vendor offering equipment of higher ranges covering the range mentioned in the specifications shall be acceptable if other specifications are in order.
- iv. All the units being offered by the vendor shall be compatible with each other wherever

ITEM NO. 30**SUPPLY OF CABLE ROUTE TRACER (LOCATOR) – QTY = 01 NO****Cable Route Tracer (Locator)**

1. Supply of fast and easy to use system for the detection and tracing of underground cable networks with following specification:
 2. The unit shall consist of both transmitter and receiver for detecting both energised and de-energised cables by using appropriate accessories.
 3. The device shall be capable of tracing/locating PVC, XLPE & PILC and cables upto 33kV.
 4. It shall be able to detect cables buried upto a depth of min. 5 mtrs.
 5. The device shall be able to provide depth measurement at a push of a button, even without a transmitter.
 6. Dimensions should be such a way that can be easily carried while locating the cable
 7. Should have Large easy to read display with automatic backlight
 8. Should be provided with Automatic sensitivity control
 9. Transmitter:
 - i. Transmitted power : 0.1 W / 0.5 W (switchable)
 - ii. Type of signal : pulsed / continuous signal (switchable)
 - iii. Frequency 33 kHz
 - iv. Operating time should be min. 16 hours
 - v. Power supply: Battery operated, preferably using rechargeable battery.
 - vi. Temperature range: 0 °C ... +50 °C (operation)
 - vii. Weight should not be greater than 3.5 kg
 - viii. Transmitter should be provided with mains voltage-proof output
 10. Receiver
 - i. Frequency ranges
Radio mode: 15 kHz ... 23 kHz

Power mode: 50 Hz

Using Transmitter / Probe : 33 kHz
 - ii. Location depth (cable) : 0.3m ... 5 m
 - iii. Operating time should be min 35 hours
 - iv. Power supply: Battery operated, preferably using rechargeable battery.
 - v. Temperature range: 0 °C ... +50 °C (operation)
 - vi. Weight should not be greater than 2.5 kg
 - vii. Protection class: IP 54
 11. Accessories: Signal Clamp (inner diameter of min. 4 inch) for live cable tracing, user manual.
 12. Certification / Standard Compliance:
 - i. Offered model shall have test certificate from national or foreign laboratory having NABL or any international accreditations.
- The bidders shall have to submit test certificates along with their offer/bid.

SPECIAL TERMS & CONDITION:

1. All items will be procured from OEM or their authorised dealer only. Bidders other than OEM shall have to submit valid authorization/dealership certificate from OEM.
2. Item no. 10 and 20 shall be of same make and compatible with each other and will be procured from same vendor.
3. The vendor shall have authorised service centre in India.
4. Training
 - i. Supplier shall have to ensure that the instrument is made user friendly
 - ii. The supplier shall also have to arrange necessary training to engineers after supply of the instrument
5. WarrantyThe warranty period will be 12 months from the date of acceptance of the Materials / equipment at site.
6. Bidder may be called for demonstration as a part of technical evaluation.
7. Item no. 10 & 20, shall be of same make and compatible with each other and hence shall be procured from same vendor. Item no. 30 may be from different make & vendor.
8. The supplier shall have to arrange necessary training and demonstration to OIL personal after supply of the instrument.
9. The ranges and specifications mentioned in the specifications are the minimum required. Vendor offering equipment of higher ranges covering the range mentioned in the specifications shall be acceptable if other specifications are in order.

NOTE:

Bidders should submit their bids (preferably in tabular form) explicitly mentioning compliance / non compliance to all the NIT terms and conditions of NIT.

INTEGRITY PACT

Between

Oil India Limited (OIL) hereinafter referred to as "The Principal"

And

(Name of the bidder).....hereinafter referred to as "The Bidder/Contractor"

Preamble:

The Principal intends to award, under laid down organizational procedures, contract/s for **SDI2875P20**. The Principal values full compliance with all relevant laws and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidder/s and Contractor/s.

In order to achieve these goals, the Principal cooperates with the renowned international Non-Governmental Organization "Transparency International" (TI). Following TI's national and international experience, the Principal will appoint an external independent Monitor who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section: 1 -Commitments of the Principal

(1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:

1. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for him/herself or third person, any material or immaterial benefit which he/she is not legally entitled to.
2. The Principal will, during the tender process treat all Bidders with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder could obtain an advantage in relation to the tender process or the contract execution.

ANNEXURE- DDD

3. The Principal will exclude from the process all known prejudiced persons.

(2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a Page 2 of 6 substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions.

Section: 2 -Commitments of the Bidder/Contractor

(1) The Bidder/Contractor commits itself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.

1. The Bidder/Contractor will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or immaterial benefit which h e/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

2. The Bidder/Contractor will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, Subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

3. The Bidder/Contractor will not commit any offence under the relevant Anticorruption Laws of India; further the Bidder/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

4. The Bidder/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

(2) The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

(3) The Bidder/Contractor signing Integrity Pact shall not approach the Courts while representing the matters to IEMs and he/she will await their decision in the matter.

Section 3 -Disqualification from tender process and exclusion from future Contracts

If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or risibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

1. If the Bidder/Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is entitled also to exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.
2. The Bidder accepts and undertakes to respect and uphold the Principal's Absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.
3. If the Bidder/Contractor can prove that he has restored/recouped the Damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.
4. A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.
5. Integrity Pact, in respect of a particular contract, shall be operative from the date Integrity Pact is signed by both the parties till the final completion of the contract **or as mentioned in Section 9- Pact Duration whichever is later**. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings

Section 4 -Compensation for Damages

1. If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to Earnest Money Deposit / Bid Security.

(2) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to Security Deposit / Performance Bank Guarantee.

3. The bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish that the exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount or the liquidated damages, the Bidder/Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

Section 5 -Previous transgression

1. The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.

2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

Section: 6 -Equal treatment of all Bidders/Contractor/Subcontractors

1. The Principal will enter into Pacts on identical terms with all bidders and contractors.

2. The Bidder / Contractor undertake(s) to procure from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the provisions laid down in this agreement/Pact by any of its sub-contractors/sub-vendors.

3. The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

Section: 7 -Criminal charges against violating Bidders/Contractors/ Subcontractors

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

Section: 8 -External Independent Monitor/Monitors

1. The Principal appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.

3. The Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/Contractor/Subcontractor with confidentiality.

4. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.

5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. However, the Independent External Monitor shall give an opportunity to the bidder / contractor to present its case before making its recommendations to the Principal.

6. The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to

ANNEXURE- DDD

him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.

7. If the Monitor has reported to the Chairperson of the Board a Substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

8. The word 'Monitor' would include both singular and plural.

Section:9 -Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairperson of the Principal.

Section:10 -Other provisions

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. New Delhi. The Arbitration clause provided in the main tender document / contract shall not be applicable for any issue / dispute arising under Integrity Pact.

2. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

3. If the Contractor is a partnership or a consortium, this agreement must be, signed by all partners or consortium members.

4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
