FORWARDING LETTER

Tender No. : SDI9809P16 Dtd 06.01.16

Tender Fee : Rs 1,000.00

Bid Security Amount : Applicable

Bidding Type : SINGLE STAGE TWO BID SYSTEM

Bid Closing on : As mentioned in the e-portal

Bid Opening on : -do-

Performance Security : Applicable

Integrity Pact : Applicable

OIL invites Bids for **16 KL LDO TANKS = 6 Nos** through its e-Procurement site under **SINGLE STAGE TWO BID SYSTEM**. The bidding documents and other terms and conditions are available at Booklet No. MM/LOCAL/E-01/2005 for E-Procurement LCB Tenders. The prescribed Bid Forms for submission of bids are available in the Technical RFx -> External Area -> Tender Documents

The general details of tender can be viewed by opening the RFx [Tender] under RFx and Auctions.. The details of items tendered can be **found in the Item Data and details uploaded under Technical RFX**.

The tender will be governed by:

- a) For technical support on various matters viz. Online registration of vendors, Resetting of Passwords, submission of online bids etc, vendors should contact OIL's ERP MM Deptt at following: Tel Nos = 0374-2807171 , 0374-2807192. Email id = erp_mm@oilindia.in.

- b) OIL's office timings are as below:

	Time (in IST)
Monday – Friday	07.00 AM to 11.00 AM; 12.30 PM to 03.30 PM
Saturday	07.00 AM to 11.00 AM
Sunday and Holidays	Closed

Vendors should contact OIL officials at above timings only.

- c) “General Terms & Conditions” for e-Procurement as per Booklet No. MM/LOCAL/E-01/2005 for E-Procurement LCB Tenders.

- d) Technical specifications and Quantity as per **Annexure – 1A**.
- e) The prescribed Bid Forms for submission of bids are available in the Technical RFx -> External Area -> Tender Documents.
- f) In the event of receipt of only a single offer against the tender within B.C. date, OIL reserves the right to extend the B.C. date as deemed fit by the Company. During the extended period, the bidders who have already submitted the bids on or before the original B.C. date, shall not be permitted to revise their quotation.
- g) All corrigenda, addenda, amendments, time extension, clarifications etc. To the tender will be hoisted on OIL's website (www.oil-india.com) and in the e-portal (<https://etenders.srm.oilindia.in/irj/portal>) only and no separate notification shall be issued in the press. Prospective bidders are requested to regularly visit the website and e-portal to keep themselves updated.
- h) Any sum of money due and payable to the contractor (including Security Deposit refundable to them) under this or any other contract may be appropriated by Oil India Limited and set-off against any claim of Oil India Limited (or such other person or persons contracting through Oil India Limited) for payment of sum of money arising out of this contract or under any other contract made by the contractor with Oil India Limited (or such other person or persons contracting through Oil India Limited).
- i) Bidder are advised to fill up the Technical bid check list (**Annexure EEE**) and Response sheet (**Annexure FFF**) given in MS excel format in Technical RFx -> External Area -> Tender Documents. The above filled up document to be uploaded in the **Technical RFX Response**.

Special Note:

1.0 General Qualification Criteria:

In addition to the general BRC/BEC, following criteria on Bidders' Experience and their financial capabilities shall be considered (**documentary evidence to be provided along with the bid in Technical RFx -> External Area -> Tender Documents**) as on the Bid Closing Date:

Criteria	Complied / Not Complied.
	Documentary evidence submitted / not submitted
Annual financial turnover of the firm in any of the last 3 financial years or current financial year should not be less than Rs 61.93 Lakhs.	

Note: For Annual financial turnover enclose the audited Annual Reports or balance sheet certified by a chartered accountant.

2.0 Vendors having OIL's User ID & password shall purchase bid documents on-line through OIL's electronic Payment Gateway upto one week prior to the Bid closing date (or as amended in e-portal).

Vendors who do not have OIL's User ID & password shall obtain User ID & password through online vendor registration system in e-portal and can subsequently purchase bid

documents through OIL's electronic Payment Gateway upto one week prior to the Bid closing date (or as amended in e-portal).

Alternatively application showing full address/email address with Tender Fee (Non-refundable) of Rs. 1,000.00 in favour of M/s Oil India Limited and payable at Duliajan is to be sent to Head-Materials, Oil India Limited, P.O. Duliajan, Assam-786602. Application shall be accepted only upto one week prior to the Bid closing date (or as amended in e-portal). The envelope containing the application for participation should clearly indicate "REQUEST FOR ISSUE OF USER ID AND PASSWORD FOR E TENDER NO ...". for easy identification and timely issue of user ID and password. On receipt of requisite tender fee, USER_ID and initial PASSWORD will be communicated to the bidder (through e-mail) and will be allowed to participate in the tender through OIL's e- Procurement portal. No physical tender documents will be provided. Details of NIT can be viewed using "Guest Login" provided in the e-Procurement portal. The link to e-Procurement portal has been also provided through OIL's web site www.oil-india.com.

NOTE:

PSUs and MSE units are provided tender documents Free of Cost (as per govt guidelines), however they have to apply to OIL's designated office to issue the tender documents one week prior to the Bid closing date (or as amended in e-portal).

3.0 The tender is invited under SINGLE STAGE-TWO BID SYSTEM. The bidders are required to submit both the "TECHNO-COMMERCIAL UNPRICED BID" and "PRICED BID" through electronic format in the OIL's e-Tender portal within the Bid Closing Date and Time stipulated in the e-Tender.

3.1 Please ensure that Technical Bid / all technical related documents related to the tender are uploaded in the Technical RFx Response-> User - > Technical Bid only. The "TECHNO-COMMERCIAL UNPRICED BID" shall contain all techno-commercial details except the prices. **Please note that no price details should be uploaded in** Technical RFx Response.

3.2 The "PRICE BID" must contain the price schedule and the bidder's commercial terms and conditions. **The prices of the items should be quoted in "Conditions Tab". Details of prices as per Bid format / Commercial bid can be uploaded as Attachment under the attachment option under "Notes & Attachments".**

3.3 **A screen shot in this regard is given below.** Offer not complying with above submission procedure will be rejected as per Bid Rejection Criteria mentioned in [Annexure-CCC](#).

Bid on “EDIT” Mode

Area for uploading Techno-Commercial Unpriced Bid*

Area for uploading Priced Bid**

Note :

* The “Techno-Commercial Unpriced Bid” shall contain all techno-commercial details **except the prices.**

** The “Price bid” must contain the price schedule and the bidder’s commercial terms and conditions. For uploading Price Bid, first click on Sign Attachment, a browser window will open, select the file from the PC and click on Sign to sign the Sign. On Signing a new file with extension .SSIG will be created. Close that window. Next click on Add Attachment, a browser window will open, select the .SSIG signed file from the PC and name the file under Description, Assigned to General Data and click on OK to save the File.

4.0 Please note that all tender forms and supporting documents are to be submitted through OIL’s e-Procurement site only except following documents which are to be submitted manually in sealed envelope super scribed with **Tender no.** and **Due date** to **Head**

Materials, Materials Department, Oil India Limited, Duliajan - 786602, Assam on or before the Bid Closing Date and Time mentioned in the Tender.

- a) Original Bid Security
- b) Detailed Catalogue (if any)
- c) Any other document required to be submitted in original as per tender requirement

All documents submitted in physical form should be signed on all pages by the authorised signatory of the bidder and to be submitted in triplicate.

5.0 Benefits to Micro & Small Enterprises (MSEs) as per prevailing Govt guidelines as applicable on B.C date shall be given. MSEs who are interested in availing the benefits will upload with their offer proof of their being MSE registered for the item tendered. The MSE are also required to upload scanned copies of relevant documents indicating details of registration alongwith validity, name of the registering organization and details of the item, ownership etc., failing which, their offer may not be liable for consideration of benefits to MSEs.

6.0 Bidders are requested to examine all instructions, forms, terms and specifications in the bid. Failure to furnish all information required as per the NIT or submission of offers not substantially responsive to the bid in every respect will be at the bidders risk and may result in rejection of its offer without seeking any clarifications.

7.0 Bidders must ensure that their bid is uploaded in the system before the tender closing date and time. Also, they must ensure that above documents which are to be submitted in a sealed envelope are also submitted at the above mentioned address before the bid closing date and time failing which the offer shall be rejected.

8.0 Bid must be submitted electronically only through OIL's e-procurement portal. Bid submitted in any other form will be rejected.

9.0 **SINGLE STAGE TWO BID SYSTEM** shall be followed for this tender and only the PRICED-BIDS of the bidders whose offers are commercially and technically acceptable shall be opened for further evaluation.

10.0 a) **The Integrity Pact is applicable against this tender. Therefore, please submit the Integrity Pact document duly signed along with your quotation as per BRC. OIL shall be entering into an Integrity Pact with the bidders as per format enclosed vide Annexure DDD of the tender document. This Integrity Pact proforma has been duly signed digitally by OIL's competent signatory. The proforma has to be submitted by the bidder (along with the technical bid) duly signed (digitally) by the same signatory who signed the bid, i.e., who is duly authorized to sign the bid. Uploading the Integrity Pact with digital signature will be construed that all pages of the Integrity Pact has been signed by the bidder's authorized signatory who sign the Bid. If any bidder refuses to sign Integrity Pact or declines to submit Integrity Pact with the offer, their bid shall be rejected straightway".**

b) **The name of the OIL's Independent External Monitors at present are as under:**

**SHRI RAJIV MATHUR, IPS (Retd.)
Former Director, IB, Govt. of India,
e-Mail ID : rajivmathur23@gmail.com**

- 11.0 The tender shall be governed by the Bid Rejection & Bid Evaluation Criteria given in enclosed **Annexure-CCC**. However, if any of the Clauses of the Bid Rejection Criteria / Bid Evaluation Criteria (as per **Annexure-CCC**) contradict the Clauses of the tender and / or “General Terms & Conditions” as per Booklet No. MM/LOCAL/E-01/2005 for E-procurement (LCB Tenders) elsewhere, those in the BEC / BRC shall prevail.
- 12.0 To ascertain the substantial responsiveness of the bid OIL reserves the right to ask the bidder for clarification in respect of clauses covered under BRC also and such clarifications fulfilling the BRC clauses in toto must be received on or before the deadline given by the company, failing which the offer will be summarily rejected.
- 13.0 Please do refer the User Manual provided on the portal on the procedure How to create Response for submitting offer.
- 14.0 If Bank Guarantee is submitted towards ‘Bid Security’, then bidders have to ensure that the Bank Guarantee issuing bank indicate the name and detailed address (including e-mail) of their higher office from where confirmation towards genuineness of the Bank Guarantee can be obtained.

NOTE:

Bidders should submit their bids (preferably in tabular form) explicitly mentioning compliance / non compliance to all the NIT terms and conditions of NIT.

Yours Faithfully

Sd-

(T. ROY)

**DEPUTY MANAGER MATERIALS (IP)
FOR : HEAD-MATERIALS**

Tender No & Date: SDI9809P16 Dtd 06.01.16**BID REJECTION CRITERIA (BRC) / BID EVALUATION CRITERIA (BEC)**

The following BRC/BEC will govern the evaluation of the bids received against this tender. Bids that do not comply with stipulated BRC/BEC in full will be treated as non responsive and such bids shall prima-facie be rejected. Bid evaluation will be done only for those bids that pass through the “Bid Rejection Criteria” as stipulated in this document.

Other terms and conditions of the enquiry shall be as per General Terms and Conditions vide MM/LOCAL/E-01/2005 for E-Procurement LCB Tenders. However, if any of the Clauses of the Bid Rejection Criteria / Bid Evaluation Criteria (BRC / BEC) contradict the Clauses of the tender or MM/LOCAL/E-01/2005 elsewhere, those in the BRC / BEC shall prevail.

<u>Criteria</u>	Complied / Not Complied. (Remarks if any)
<p>1.0 BID REJECTION CRITERIA (BRC):</p> <p>The bid shall conform generally to the specifications, terms and conditions given in this document. Notwithstanding the general conformity of the bids to the stipulated specifications, the following requirements will have to be particularly met by the Bidders without which the same will be considered as non-responsive and rejected.</p> <p>COMMERCIAL:</p> <p>i) Validity of the bid shall be minimum 120 days from the Bid Closing Date.</p> <p>ii) Bid security: The bid must be accompanied by Bid Security of Rs 62,000.00 in OIL's prescribed format as Bank Guarantee or a Bank Draft/Cashier cheque in favour of OIL. The Bid Security may be submitted manually in sealed envelope superscribed with Tender no. and Bid Closing date to Head Materials, Materials Department, Oil India Limited, Duliajan- 786602, Assam on or before the Bid Closing Date and Time mentioned in the Tender. The Bank Guarantee towards Bid Security shall be valid for 10 months from Bid closing date. (i.e. upto 25.12.2016).</p> <p>Bid Security may also be paid online on or before the Bid Closing Date and Time mentioned in the Tender.</p> <p><u>If bid security in ORIGINAL of above mentioned Amount and Validity is not received or paid online within bid closing date and time, the bid submitted through electronic form will be rejected without any further consideration.</u></p> <p>For exemption for submission of Bid Security, please refer Clause No. 8.8 of</p>	

General Terms and Conditions vide MM/LOCAL/E-01/2005 for E-Procurement LCB Tenders.

The format of Bank Guarantee towards Bid Security (Annexure – VII) has been amended to Annexure – VII (Revised) and bidders should submit Bank Guarantee towards Bid Security as per Annexure – VII (Revised) only.

In case of extension of Bid Closing date against the tender where a bidder has already submitted his bid with requisite bid security validity within the original B.C. Date, such bidders will extend validity of bid security covering the extended period of the bid closing date.

iii) Bids are invited under “Single Stage Two Bid System”. Bidders have to submit both the “Techno-commercial Unpriced Bids” and “Priced Bids” through electronic form in the OIL’s e-Tender portal within the bid Closing date and time stipulated in the e-tender. The Techno-commercial Unpriced bid is to be submitted as per scope of works and Technical specification of the tender and the priced bid as per the online Commercial bid format. For details of submission procedure, please refer relevant para of General Terms and Conditions vide MM/LOCAL/E-01/2005 for E-Procurement LCB Tenders. Any offer not complying with the above shall be rejected straightway.

iv) Performance Security:

The successful Bidder will have to provide Performance Security @ 10% of total cost of Equipment . The Performance Security must be valid for one year from the date of successful commissioning of the equipment or 18 months from the date of despatch whichever is earlier.

The validity requirement of Performance Security is assuming despatch within stipulated delivery period and confirmation to all terms and conditions of order. In case of any delay in despatch or non-confirmation to all terms and conditions of order, validity of the Performance Security is to be extended suitably as advised by OIL.

v) *The Bank Guarantee should be allowed to be encashed at all branches within India.*

vi) The prices offered will have to be firm through delivery and not subject to variation on any account. A bid submitted with an adjustable price will be treated as non-responsive and rejected.

vii) Bids received after the bid closing date and time will be rejected. Similarly, modifications to bids received after the bid closing date & time will not be considered.

viii) All the Bids must be Digitally Signed using “Class 3” digital certificate with Organisation’s name (*e-commerce application*) as per Indian IT Act obtained from the licensed Certifying Authorities operating under the Root Certifying Authority of India (RCAI), Controller of Certifying Authorities (CCA) of India.

The bid signed using other than “Class 3 with Organisation’s Name” digital certificate, will be rejected.

ix) Technical RFx Response folder is meant for Technical bid only. Therefore, No price should be given in Technical RFx Response folder, otherwise the offer will be rejected.

x) Price should be maintained in the “online price schedule” only. The price submitted other than the “online price schedule” shall not be considered.

xi). Integrity Pact :

OIL shall be entering into an Integrity Pact with the bidders as per format enclosed vide Annexure DDD of the tender document. This Integrity Pact proforma has been duly signed digitally by OIL’s competent signatory. The proforma has to be submitted by the bidder (along with the technical bid) duly signed (digitally) by the same signatory who signed the bid, i.e., who is duly authorized to sign the bid. Uploading the Integrity Pact with digital signature will be construed that all pages of the Integrity Pact has been signed by the bidder’s authorized signatory who sign the Bid. If any bidder refuses to sign Integrity Pact or declines to submit Integrity Pact with the offer, their bid shall be rejected straightway”.

xii). A bid shall be rejected straightway if it does not conform to any one of the following clauses:

(a) Validity of bid shorter than the validity indicated in the Tender.

(b) Original Bid Security not received within the stipulated date & time mentioned in the Tender.

(c) Bid Security with (i) Validity shorter than the validity indicated in Tender and/or (ii) Bid Security amount lesser than the amount indicated in the Tender.

(d) In case the Party refuses to sign Integrity Pact.

(e) Average Annual Turnover of a bidder lower than the average Annual turnover mentioned in the Tender.

2.0 BID EVALUATION CRITERIA (BEC)

The bids conforming to the terms and conditions stipulated in the tender and considered to be responsive after subjecting to the Bid Rejection Criteria as well as verification of original of any or all documents/ documentary evidences pertaining to BRC, will be considered for further evaluation as per the Bid Evaluation Criteria given below.

A) TECHNICAL:

i) The manufactured product should be strictly as per OIL’s Tender specification.

ii) For evaluation of bids, the total cost of the bid including all items and spares shall be considered. i.e. Purchase Order shall be placed on the bidder who is lowest (L1) after considering cost of all items together.

B) COMMERCIAL:

i). To evaluate the inter-se-ranking of the offers, Assam Entry Tax on purchase value will be loaded as per prevailing Govt. of Assam guidelines as applicable on bid closing date. Bidders may check this with the appropriate authority while submitting their offer.

ii) Priced bids of only those bidders will be opened whose offers are found technically acceptable. The technically acceptable bidders will be informed before opening of the "priced bid".

iii). To ascertain the substantial responsiveness of the bid OIL reserves the right to ask the bidder for clarification in respect of clauses covered under BRC also and such clarifications fulfilling the BRC clauses in toto must be received on or before the deadline given by the company, failing which the offer will be summarily rejected.

NOTE:

Bidders should submit their bids (preferably in tabular form) explicitly mentioning compliance / non compliance to all the NIT terms and conditions of NIT.

TECHNICAL SPECIFICATIONS WITH QUANTITY**Tender No & Date: SDI9809P16 Dtd 06.01.16**

	Complied / Not Complied. (Remarks if any)
<p>16 KL SKID MOUNTED HORIZONTAL CYLINDRICAL LDO TANK WITH DECANTING PUMP . Qty = 6 Nos</p> <p>1.0 Capacity: The storage tank must have a capacity to store minimum 16 KL (100 Imperial barrel) of LDO/LWC at normal atmospheric condition.</p> <p>2.0 Types of tank: The LDO tank must be Oil field type skid mounted, cylindrical and horizontal.</p> <p>3.0 Size & specification:</p> <p>3.1 The design, fabrication & testing of the LDO tanks should be as per API 650.</p> <p>3.2 The LDO tank must be mounted on an oil field type skid. The skid should not exceed 6 Meter of length and 3 Meter of width.</p> <p>3.3 The height of the LDO tank including the collapsible railings (in collapsed condition) from the ground level should not exceed 3 M.</p> <p>3.4 The skid of the LDO tank should be Oil Field type having minimum three (3) runners & four (4) cross members of ISMB250.</p> <p>4.0 Accessories:</p> <p>4.1 One decanting pump must be fixed on the LDO tank skid with complete suction and delivery lines fitted. The suction & delivery line should be fitted with suitable valve.</p> <p>4.2 The decanting pump should be a gear type pump and as per API 676 having a capacity not less than 250 Litre per minute.</p> <p>4.3 All Electrical Equipment, including the motors, starter panels of the decanting pumps should be FLP type and approved by DGMS. Please refer to electrical specification.</p> <p>4.4 The tank must have 1 1/2" or 2" (One & half inch or two inch) supply line & return line attached with the tank for loading & unloading purpose.</p> <p>4.5 The bidder must supply one calibration chart & one dip stick made of aluminium (Size - width: 1/2", breath: 1/2", length: 3.5 Meter) graduated in centimetre with each of the tank.</p> <p>4.6 The tanks and the dip stick should be calibrated by government authority like Metrology Department of state level.</p>	

4.7 The tank must have a collapsible railing for easy erection and folding arrangement along with the walk way without removing the railing.

4.8 The tank should be complete with ladder, working platform to take dip & collapsible railings around (Having suitable arrangement for fast rig-up & dismantling arrangement without removal) as per API 650.

4.9 There should be provision of manhole for taking dip on the roof of the LDO tank as per API 650.

4.10 The LDO tank must have vents on the roof as per API 650.

4.11 There should be two numbers of drain plugs with valve, one on the front and another on the back side of the LDO tank.

4.12 Bidder shall provide one complete set of spare part list with part nos., quantity and unit rate recommended for two years of operation of decanting pump. The price of the spares will be considered for evaluation.

NOTE: Only 1 complete set of spare part list for two years of operation of decanting pump (as mentioned above) are required for the 6 Nos of LDO tanks. Bidders to take note and quote accordingly.

4.13 Bidder shall supply one set of operation & maintenance manual and part book against each LDO tank.

4.14 The tank should be welded with the following:

4.14.1 Purchase Order Number.

4.14.2 Manufacturer name.

4.14.3 Serial number of tank.

4.14.4 Capacity of tank.

4.15 Any materials/components found defective / damaged during transit shall have to be replaced / repaired by the supplier at free of cost.

5.0 Painting:

5.1 The inside of tank should be painted with suitable anti-corrosive primer & paints.

5.2 The outside of tank should be painted with anti-corrosive aluminum paint.

5.3 The skid should be painted with black paint.

5.4 All other accessories should be painted grey paint.

6.0 ELECTRICAL:

A) Specification of Electrical Items

i) **Motor:** Explosion proof electric motor 7.5 HP, 415 Volts, 50 Hz, 1500 RPM, 3 Phase with explosion proof terminal box suitable for terminating copper cables. The terminal box shall be provided with 1 number explosion proof double compression cable gland matching to the EPR insulated, CSP sheathed screened copper cable of size 4 X 2.5 sq mm. Motor is intended to drive a pump (details of the pump is available elsewhere in this tender). Motor should be suitably mounted on the pump skid. Motor should have suitable lifting provision e.g. eye bolt etc. Enclosure protection should be IP 55. Quantity required 6 nos.

ii) **Starter Panel:** Suitably rated, Explosion proof DOL starter for above electric motor with a provision for start/stop mounted on a suitable transportable MS frame. It should be provided with suitable size explosion proof double compression cable glands one for incoming and one for outgoing copper power cables (EPR insulated, CSP sheathed screened) of size 4 X 2.5 sq mm (each). Enclosure protection for the starter should be IP 55 for the starter. Total weight of each starter panel should not exceed 35 kg. Quantity required 6 nos. (one for each motor).

iii) **Double Compression cable glands:** Supplier to provide the following cable glands along with the equipments.

a) Total 18 nos of double compression cable glands suitable for 4 X 2.5 square mm EPR, CSP sheathed screened copper cable for motors & starters.

B) Statutory Requirements

i) Motor & starter should be of explosion proof (Type Ex-d) as per IS/IEC 60079-1 & suitable for use in oilfield hazardous area, Zone-I and Gas group IIA & II B of oil mines.

ii) All explosion-proof electrical equipment/items like Motor, Starter, Cable glands etc. used in the system should be certified by CIMFR - Central Institute of Mining and Fuel Research, (earlier CMRI -Central Mining Research Institute) of India OR internationally accepted/recognized equivalent authority of country of origin to use in "Hazardous area Zone 1 and 2", suitable for Group IIA, IIB gases, and approved by DGMS (India) for use in oilfields, in the said hazardous zones and gas groups. Copies of valid DGMS approvals for all applicable equipment / device to be made available to Oil India before or during Pre-dispatch Inspection, failing which dispatch clearance shall not be given.

iii) The CIMFR certificate number and DGMS approval number shall be affixed or embossed on each piece of equipment. In case valid DGMS approved electrical / electronic equipment is not available, the same shall be supplied with DGMS field trial permission certification. The field trial may be carried out in any E&P company operating in India or during the use of the item for which it is procured.

iv) The payment of DGMS approved electrical / electronic equipment will be as per normal terms and conditions of the order. However, payment for the electrical / electronic equipment supplied with DGMS field trial permission shall be to the extent of 50% of the cost of the equipment against dispatch / shipping documents. The balance 50% shall be made on submission of DGMS approval only. **Bidders to quote the price of the electrical / electronic**

equipment separately for which DGMS approval is not available.

C) Notes for Electrical Items

- i) Provision for all cable entry for the Explosion proof starters should be from bottom of the starter.
- ii) The motor, skid, starter should be provided with two distinct suitably rated body earthing points.
- iii) Enclosure Protection for Motor & Starter should be IP-55.
- iv) Suitable rugged canopy should be provided for each of the Motor & Starter to protect from rain etc. Canopy should have double coating of epoxy based anti-corrosive paint.
- e) All items should be new, unused and free from any kind of damage.
- v) Electrical System available at the well-site is 3 phase 3 wire, without neutral. The motor starting and running system should thus be designed for 3 phase 3 wire system, without neutral.
- vi) Dimensional drawing and details of the motor and starter should be provided along with the offer.
- vii) All motors rating, make & model, frame size should be the same.

D) Mandatory Electrical Spares: Following items shall be supplied as spares in addition to the quantities mentioned above. Specification for the spares shall be same as mentioned above for each item respectively.

- i) Spare Motor (without canopy): Qty 2 nos.
- ii) Spare DOL Starter with FLP enclosure & start stop push button(without mounting frame, canopy) : Qty 2 nos
- iii) Double compression cable glands: Qty 6 nos. (suitable for 4 X 2.5 sq mm cable)

NOTE: Only 1 set of Mandatory electrical spares (as mentioned above) are required for the 6 Nos of LDO tanks. Bidders to take note and quote accordingly.

E) Makes of Electrical Items (Indicative)

- i) Motor: Kirloskar / CGL / Marathon / LHP / BB
- ii) DOL Starter: FCG/Sudhir/Baliga/FEPL
- iii) Double compression cable glands: FCG/Baliga/Glenmach.

7.0 THIRD PARTY INSPECTION:

7.1 Pre-dispatch inspection / testing shall be carried by OIL approved Third Party Inspection (TPI) Agency viz M/s Lloyds / M/s Bureau Veritas / M/s Tuboscope / M/s RITES / M/s DNV or M/s IRS only at the works of manufacturer. Supplier/manufacturer shall

accordingly arrange for inspection and intimate OIL well in advance.

7.2 Third Party Inspection charges to be quoted separately which will be considered for bid evaluation. Quotation received without TPI charges will be loaded with the maximum TPI charges received against the tender at the time of commercial evaluation.

7.3 The scope of Third Party Inspection will be as under:

- a) Specification & Dimensional check up of LDO tank & its accessories as per NIT.
- b) All the parameters, physical & chemical properties of the raw material used, hydraulic test certificate of the tank, welding procedure carried out during fabrication of the tank should be as per API 650.
- c) Decanting pump specification as per NIT & API 676.
- d) Electrical requirement as per tender.

7.4 Inspection of LDO tank by third party is not limited to above clauses and third party inspector may carry out any additional inspection deemed fit to be carried out for quality assurance of the item. However, the bidder must provide the detailed QAP along with the offer.

7.5 All these scope of inspection mentioned in para 7.3 to be included in the QAP / ITP (quality assurance plan or inspection test plan) which is to be submitted by the manufacture and to be approved by OIL as well as the concerned TPI agency.

7.6 All Necessary supporting test certificates from reputed test house/laboratory shall be submitted to the third party inspector for verification. After completion of the verification done by the third party, the verified test certificates and the third party inspection report shall be supplied to OIL in original well in advance before pre dispatch inspection.

8.0 PREDISPATCH INSPECTION:

8.1 OIL reserves the right to depute a team of OIL's engineers for inspection of LDO tanks with accessories at the manufacturing facility but such inspection shall not relieve the supplier of his responsibility to ensure that the equipment supplied is free from all manufacturing and other defects and conforms to correct specifications & performances. However, inspection by OIL's engineer will remain at its discretion. The supplier should give inspection call well in advance (at least 20 days).

8.2 The cost of pre dispatch inspection if any should be mentioned separately in their offer. However, fares, boarding/ lodging etc for our Engineers to carry out the inspection will be borne by OIL.

9.0 INSTALLATION & COMMISSIONING OF THE LDO TANKS:

Supplier needs to commission the LDO tanks along with its accessories in each of OIL Rigs situated in and around 50 km from Duliajan. Supplier will be responsible for installation and commissioning of the complete LDO tank package. The expected date of commissioning shall be informed by OIL after the LDO tank is transported to site. Bidder must quote separately for installation/ commissioning charges if any. OIL shall not be

responsible for boarding & lodging etc. of the commissioning people of the supplier.

10.0 Warranty & Guaranty:

All the items mentioned above should be guaranteed against any manufacturing defect, workmanship, performances etc. for a period of 18 months from the date of dispatch or 12 months from the date of commissioning whichever is earlier. In the event any item is found defective, then it should be replaced by the supplier free of cost without any burden on Oil India Limited. Bidders must confirm the same in their bid.

11.0 TECHNICAL CHECK LIST:

[THE FOLLOWING CHECK LIST MUST BE COMPLETED AND RETURNED WITH THE OFFER. ALSO ENSURE THAT ALL THESE POINTS ARE COVERED IN YOUR OFFER. THESE WILL ENSURE THAT YOUR OFFER IS PROPERLY EVALUATED. PLEASE TICK MARK 'YES' OR 'NO' TO THE FOLLOWING QUESTIONS, IN THE RIGHT HAND COLUMN]

1. Whether quoted as fabricator of LDO tank and whether documentary evidences submitted to this effect? YES/NO
2. Whether all BRC/BEC clauses complied? YES/NO
3. Whether separately highlighted any deviation from the technical specification sought for? YES/NO
4. Whether the storage tank have a capacity to store minimum of 16 KL (100 Imperial barrel) of LDO/LWC at normal atmospheric condition? YES/NO
5. Whether the LDO tank is mounted on an oil field type skid? YES/NO
6. Whether collapsible railings are provided around the walk-way on the top of the tank? YES/NO
7. Whether the skid is within 6 Meter of length and 3 Meter of width? YES/NO
8. Whether the height of the collapsible railings (in collapsed condition) from the ground level is within 3 Meter? YES/NO
9. Whether the tank is horizontal and cylindrical type? YES/NO
10. Whether the design, fabrication & testing of the LDO tanks are as per API Code 650? YES/NO
11. Whether the LDO tank contains supply line & return line of 1 1/2" or 2"? YES/NO
12. Whether the LDO tank has a motor driven decanting pump mounted on the same LDO tank skid? YES/NO
13. Whether the decanting pump is a gear type pump having a minimum capacity of 250

Litre per minute? YES/NO.

14. Whether the motors, Starter panels of the decanting pumps are FLP and approved by DGMS? YES/NO.

OR

In case valid DGMS approved electrical / electronic equipment is not available, whether the equipment will be supplied with DGMS field trial permission certification? YES/NO

15. Whether one calibration chart & one dip stick graduated in centimetre with each of the tank will be supplied? YES/NO

16. Whether the tanks and the dip stick will be calibrated by government authority like Metrology Department of state level? YES/NO

17. Whether the decanting pump is as per API 676? YES/NO

18. Whether pump is fixed on the LDO tank skid with complete suction and delivery lines with suitable valves fitted? YES/NO

19. Whether one set of spare parts list with part nos., quantity and unit rate recommended for two years of operation of decanting pump will be supplied? YES/NO

20. Whether one set of operator instruction manual and maintenance manual covering all the items of the decanting pump will be supplied? YES/NO

21. Whether the tanks have a walk way right from one end to another over the tank & should be as per API 650? YES/NO

22. Whether there is manhole on the roof of the LDO tank as per API 650? YES/NO

23. Whether there is vent on the roof of the LDO tank as per API 650? YES/NO

24. Whether there is two numbers of drain plugs with valve, one on the front and another on the back side of the LDO tank? YES/NO

25. Whether the bidder is in a position to carry out commissioning of the LDO tanks at our work place in and around DULIAJAN, ASSAM, India? YES/NO

26. Whether bidder is agreed for Pre-dispatch performance Test / inspection of the LDO tanks in presence of OIL representatives? YES/NO

27. Whether the specification of the LDO tanks is as per NIT requirement? YES/NO

28. Whether the bidder provided the detailed QAP of the LDO tanks along with the offer? YES/NO

Offer Ref Dated

<p>OIL's Tender No. Signed</p> <p>For & on behalf ofDesignation</p> <p>12.0 SPECIAL NOTES:</p> <p>12.1 The bids must conform to the specifications and terms and conditions given in the NIT. NOTE:

Bidders should submit their bids (preferably in tabular form) explicitly mentioning compliance / non compliance to all the NIT terms and conditions of NIT.

Annexure- DDD

INTEGRITY PACT

Between

Oil India Limited (OIL) hereinafter referred to as "The Principal"

And

(Name of the bidder).....hereinafter referred to as "The Bidder/Contractor" |

Preamble :

The Principal intends to award, under laid down organizational procedures, contract/s for Tender No. **SDI9809P16** The Principal values full compliance with all relevant laws and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidder/s and Contractor/s.

In order to achieve these goals, the Principal cooperates with the renowned international Non-Governmental Organisation "Transparency International" (TI). Following TI's national and international experience, the Principal will appoint an external independent Monitor who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section 1 - Commitments of the Principal

- (1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:-
 1. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for him/herself or third person, any material or immaterial benefit which he/she is not legally entitled to.
 2. The Principal will, during the tender process treat all Bidders with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder could obtain an advantage in relation to the tender process or the contract execution.
 3. The Principal will exclude from the process all known prejudiced persons.
- (2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a Page 2 of 6 substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions.

Section 2 - Commitments of the Bidder/Contractor

- (1) The Bidder/Contractor commits itself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.
 1. The Bidder/Contractor will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or immaterial benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.
 2. The Bidder/Contractor will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, Subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelisation in the bidding process.
 3. The Bidder/Contractor will not commit any offence under the relevant Anticorruption Laws of India; further the Bidder/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
 4. The Bidder/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.
- (2) The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 - Disqualification from tender process and exclusion from future Contracts

If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or credibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

1. If the Bidder/Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is entitled also to exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.

2. The Bidder accepts and undertakes to respect and uphold the Principal's Absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.
3. If the Bidder/Contractor can prove that he has restored/recouped the Damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.
1. A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.

Section 4 - Compensation for Damages

1. If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to 3 % of the value of the offer or the amount equivalent to Earnest Money Deposit/Bid Security, whichever is higher.
2. If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to 5% of the contract value or the amount equivalent to Security Deposit/Performance Bank Guarantee, whichever is higher.
3. The bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish that the exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount or the liquidated damages, the Bidder/Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

Section 5 - Previous transgression

1. The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

Section 6 - Equal treatment of all Bidders/Contractor/Subcontractors

1. The Bidder/Contractor undertakes to demand from all subcontractors a commitment in conformity with this Integrity Pact, and to submit it to the Principal before contract signing.
2. The Principal will enter into agreements with identical conditions as this one with all Bidders, Contractors and Subcontractors.

3. The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

Section 7 - Criminal charges against violating Bidders/Contractors/ Subcontractors

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

Section 8 - External Independent Monitor/Monitors (three in number depending on the size of the contract) (to be decided by the Chairperson of the Principal)

1. The Principal appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.
3. The Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/Contractor/Subcontractor with confidentiality.
4. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.
5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
6. The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.
7. If the Monitor has reported to the Chairperson of the Board a substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed

against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

8. The word 'Monitor' would include both singular and plural.

Section 9 - Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairperson of the Principal.

Section 10 - Other provisions

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. New Delhi.
2. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.
3. If the Contractor is a partnership or a consortium, this agreement must be, signed by all partners or consortium members.
4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
