This is for general information to all concerned that the following rules will be applicable for the above noted Draw of Lots:

**1.0** Lottery Nos. have been allotted to the eligible groups (a group consists of 5 nos. of bowsers) within the range “01” to “36”.

**2.0** The allotted Nos. is of **two** digit.

**3.0** There will be **two** tombola cages:

**3.1** “Cage-A” will contain digits from “0” to “9” (**total ten tombola balls**) for drawing out the digit in the “unit” place.

**3.2** “Cage-B” will contain **two nos. of digit “0”, two nos. of digit “1”, two nos. of digit “2” and two nos. of digit “3” (total eight tombola balls)** for drawing out the digit in the “tens” place.

**4.0** **Procedure for Draw:**

**4.1** First the digit in the “unit” place will be drawn from “Cage-A”. The digit coming out will be for the **unit place (within 0 to 9)** which after recording will be put back into the cage. The digit coming out, say 3, means the digit in the “unit” place is 3.

**4.2** For the digit in the “tens” place, draw will be done from “Cage-B” in a similar manner and after recording the number (**within 0 to 3**) will be put back into the cage. The digit coming out, say 2, means the digit in the “tens” place is 2.

**4.3** After drawing this, a two digit number will be found which will be assigned the “**Priority Number**”. From the above illustration, the number thus arising is 23.

**4.4** The eligible group (a group consists of 5 nos. of bowsers) bearing the first number thus selected would be assigned as Priority No. “1” and will be considered for further processing. Draw shall be continued similarly for selecting Priority No. “1” to “30” in that order.

**5.0** **Redraw:** Redraw for all the digits will be done in the following instances:

- (i) If the number found is “00”.
- (ii) If the number is found to be greater than “36”.
- (iii) If the number found is a **repeat number**.

**6.0** **The number drawn shall only be announced during the lottery.**

**7.0** **Draw of Lots (Lottery) will be done by a member from the public present at the time of Lottery and the person drawing the same will be required to put his/her signature against the number drawn by him/her. A person drawing the lottery will be required to draw 02 (two) Nos. of eligible groups as described above.**

**8.0** Audio and video recording of the proceedings of the lottery shall be done depending on the availability of such system.

**9.0** Subsequent award of contract and hiring of the required services shall be guided as per terms & conditions of the tender.
