1	F&A	Submission of report on comparative analysis of Gas production costs from diverse field types across various global regions.	64.04	6119634 dated 29.05.2024	M/s. IHS GLOBAL PRIVATE LTD.	Proposal No. 4215 dated 27.05.2024	<p>MoP&NG vide Letter No. L-12015/1/2024-GP-1(E:49220) dated 14th March 2024 constituted a Committee under the Chairmanship of Director General (PPAC) to study on comparative analysis of gas production costs for various geographical regions and domestic gas quantity and price projection including HP-HT and other regions compared to the international prices. The Committee was mandated to submit its report within 3 months from the date of constitution of the committee.</p> <p>In the 2nd meeting of the Committee held on 16th April 2024, it was decided that ONGC & OIL will ascertain the availability of data on production cost of international gas fields in different geographies from entities including S&P Platts. The cost for such activity will be shared by ONGC, OIL & GAIL equally. During the 3rd meeting of the committee held on 3rd May 2024, it was decided that as the domestic consultant was engaged by ONGC on equal cost sharing basis between ONGC, OIL & GAIL, similarly, OIL will engage the international consultant on similar cost sharing basis.</p> <p>Considering the 3 months' time period mandated by MoP&NG to the committee, the final report needs to be submitted by Mid of June 2024. Thus, very limited time period was available to engage the consultant for the report. M/s. IHS Global Private Limited has access to necessary data points through S&P Global Vantage and other reputable sources. Considering the importance of the study report, data sourcing from a renowned consultant will ensure robust and accurate analysis. Hence, it was felt prudent to engage M/s. IHS Global Private Limited, Bengaluru on nomination basis towards the subject service.</p>
