1	Production Services Support	Supply of 5000 PSI TUBING HEAD Assy.	10,942,620.45	0.37	0.43	7119404/DIS/N4 dtd. 01.08.2017	M/s BHARAT HEAVY ELECTRICAL S LIMITED, New Delhi	-	-	<p>Around 7 nos. of wells currently lined up for workover require replacement of defective Tubing Head Spools. Based on past experience & increase in miscreant activities observed, user deptt expressed likelihood of encountering few more wells with damaged Tubing Head spool which will also require replacement during workover operation.</p> <p>The new spools available in stock cannot be used in old wells on account of technical reasons (casing cut off length being only 4" as against a requirement of around 5.5" for the new spools). Moreover, the next lot of 25 nos of compatible Tubing Head Spool is due for delivery by 30.09.2017, while user Department has expressed urgency for requirement of compatible spools for workover wells.</p> <p>To mitigate the situation, in-principle approval from Competent Authority was obtained vide proposal no. PSS:2/18/3.01/UD-228 dtd. 23/6/17 to procure 10 nos. of Tubing Head Spool Assembly on nomination basis from M/s BHEL so as to meet the urgent operational requirement. Subsequently, failure of secondary seal of the present supply of Tubing Head Spools was experienced in drilling wells at site, which is being taken up with the supplier for rectification/replacement. However, in order to cater to the immediate requirement at site, in-principle approval from competent authority was obtained, vide proposal no. PSS:2/18/3.01/UD-235 dtd. 17/7/17, to increase the number of Spools from 10 nos. to 20 nos., to be procured on nomination basis from M/s BHEL.</p>

All works/Purchase/Consultancy and other contracts, in progress, as per prescribed monetary limit and approved under Srl. No. 34 I(A) of DOP have been reported in this QPR.
