A quarterly CSR Bulletin of  
PA Department

Vol 2 No. 19  
Jan - March 2018

“Whenever you are in doubt... recall the face of the poorest and the weakest man whom you may have seen and ask yourself if the step you contemplate is going to be of any use to him? Will he gain anything by it? Will it restore him to control over his own life and destiny? That test alone can make our plans and programmes meaningful.”

Mahatma Gandhi

## CSR CAPSULE

### OIL Signs MoU with Indian National Trust for Art and Cultural Heritage for Renovation & Restoration of Dr. John Berry White Medical School at Dibrugarh, Assam

An MoU was signed between OIL and Indian National Trust for Art and Cultural Heritage (INTACH), New Delhi in presence of Deputy Commissioner, Dibrugarh at DC Office on 10th January 2018. Shri Pranjit Deka, ED (HR&A), signed the MoU on behalf of OIL while DC, Dibrugarh, Ms Laya Madduri, IAS signed on behalf of District Administration and Dr Aradhna Kakoty, State Convenor of INTACH on behalf of INTACH. Shri D K Bhuyan, GM (PA) OIL along with other officials of OIL, District Administration, INTACH, renowned senior citizens, social workers and media were also present on the occasion.

Berry White Medical School, Dibrugarh established in 1900 AD by the British Philanthropist Dr. John Berry White, a retired brigadier of British Army and later the Civil Surgeon in the erstwhile Lakhimpur District heralded the beginning of Allopathic Medical Education in Assam, which was subsequently upgraded to a full-fledged Medical College in the year 1947 as Assam Medical College, Dibrugarh in the erstwhile US Military Hospital of the Second World War at Borbari, Dibrugarh. Thus, erstwhile Berry White Medical School, Dibrugarh carries great historical and heritage significance for the people of Dibrugarh in particular and Assam in general. Considering its historical and archaeological significance, Oil India Limited as a part of its CSR has taken up the initiative for its preservation, restoration and renovation.

Fully funded by OIL, the renovation work will be undertaken by INTACH. As per the plans, the renovated structure will have a medical museum, information desk, souvenir shop, period room, library and an exhibition area. Several others who spoke on the occasion said conservation of the Berry White Medical School will be great respect and honour to the philanthropist Dr. John Berry White who took keen interest in serving the people of the region by providing education and medical aid.

OIL will invest an amount of Rs 2,01,00,000/- (Rupees Two Crores one lakh) for the conservation/restoration and adaptive reuse of the heritage site.

## OIL signs MoU with DWSC for construction of 1500 individual household toilets in Dibrugarh to make Dibrugarh Open Defecation Free (ODF) District

An MoU was signed between OIL and District Water and Sanitation Committee (DWSC), Dibrugarh under Public Health Engineering, Dibrugarh, Govt. of Assam in presence of Deputy Commissioner, Dibrugarh at DC Office on 10th January 2018. Shri Pranjit Deka, ED (HR&A), OIL signed the MoU on behalf of OIL while Shri Jadav Saikia, District Development Commissioner and Chairperson (DWSC) signed on behalf of District Administration.

With the primary objective of the Govt. of India to make rural India Open Defecation Free, the District Water and Sanitation Committee (DWSC) constituted by the Govt. of Assam, is implementing Swachh Bharat Mission (Gramin) in all Gaon Panchayats across the Dibrugarh District with an aim to make Dibrugarh District Open Defecation Free. Under the Mission, construction of 91,602 nos of Individual House Hold Latrine (IHHL) have already been completed. Now, another 1500 IHHL units are proposed to be constructed in the individual houses, which have been identified as left out in the subsequent Sanitation Survey to achieve 100% Open Defecation Free status in the selected Gaon Panchayats.

Oil India Limited will invest Rs. 1.80 Crores (Rupees One Crores Eighty Lakh) for construction of 1500 IHHLs. DWSC, Dibrugarh has agreed to execute the project and construct the toilets as per specification and design approved by the Deputy Commissioner, Dibrugarh within the approved cost.

## Special Health Camp organized at Mukalbari Tea Estate under Project OIL Sparsha

Oil India Limited organized a Special Health Camp at Mukalbari Tea Estate as part of Legal Aid & Health Check Up Camp organized by National Legal Services Authority (NSLA). The event was graced by Justice Ranjan Gogoi, Hon'ble Judge of Supreme Court of India, accompanied by Justice A K Singh, Hon'ble Chief Justice of Gauhati High Court and Justice Hrishikesh Roy, Hon'ble Judge of Gauhati High Court, besides, officials of Gauhati High Court and Dibrugarh District Administration.

Implementing partner, St. Luke's Hospital, Chabua, Dist. Dibrugarh had equipped their teams with two doctors and catered to around 700 nos. of patients during the camp at Mukalbari Tea Estate which commenced at about 9.00 A.M. and closed at 4.00 P.M. Some doctors from Assam Medical College & Aditya Nursing Home Dibrugarh also joined the team to provide medical support.

Started in early 1980s, project OIL Sparsha takes doctors and paramedics to remote areas where access to primary healthcare is a challenge. The Mobile Dispensary services of OIL have always been one of the most significant community welfare projects of the Company. During early days, OIL's Mobile Health Care services were carried out with in-house doctors and paramedics in remote areas of Dibrugarh District. In view of OIL's increasing operations and more and more remote areas to be annually covered, OIL had associated with St. Luke's (Tinsukia and Chabua), a charitable hospital and Piramal Swasthya, a Pan-India NGO. Presently, the mobile health care project covers OIL operational areas of Dibrugarh, Tinsukia, Charaideo districts of Upper Assam and Miao & Manabhum districts of Arunachal Pradesh. Since 2010-11, the project has conducted around 3500 no. of camps and screened 836729 no. of patients.

## Foundation stone laying of new Auditorium at Jorhat Engineering College by Shri B P Sarma, RCE OIL

Shri B P Sarma, RCE, OIL laid the foundation stone for construction of a new Auditorium at Jorhat Engineering College (JEC) on 11<sup>th</sup> October 2017 in presence of Shri Virendra Mittal, DC, Jorhat, Dr Reeta Sarmah, Principal, JEC and other officials from OIL and JEC. The 1100 seating capacity auditorium is fully funded by OIL under its CSR Scheme at a cost of Rs 4.65 Crores. Earlier an MoU on the same between OIL & JEC was signed on 29<sup>th</sup> December 2016.

The Auditorium would hold national and international conferences, educational & cultural programmes as it would accommodate a large number of audience inside the hall.

As part of OIL's CSR initiatives OIL has always given top priority towards development of Education. As such, OIL has always been providing infrastructural assistance to schools, colleges & other educational institutes in its operational areas.

## Shri Sarbananda Sonowal, Hon'ble CM Assam graced Project Rupantar Credit Disbursement function at Duliajan

Oil India Limited at its field head quarter Duliajan organized Project Rupantar Credit Disbursement function at Duliajan on 19<sup>th</sup> March, 2018. The function was graced by Chief Guest, Shri Sarbananda Sonowal, Hon'ble Chief Minister, Assam, Shri Utpal Bora, CMD, OIL, Shri Rameshwar Teli, MP, Shri Terosh Gowalla, local MLA, Shri Naren Sonowal, MLA, Naharkatia, Shri Rituparna Baruah, MLA, Lahowal, Shri Sanjay Kishan, MLA, Tinsukia, Smt. Laya Madduri, DC, Dibrugarh, Smt R S Borah, Director (Finance), OIL, Shri P K Sharma, Director (Operations), OIL, A M M Zakir, EX- Director, SIPRD, Shri Bikul Chandra Deka, Vice-Chairman, APL, Shri Punakan Barua, Chairman, Assam Hydrocarbon & Energy Company Limited and officials from district administration, SIPRD and OIL.

Shri Sarbananda Sonowal, Hon'ble Chief Minister, Assam inaugurated OIL's CSR exhibition. The exhibition displayed the wide gamut of OIL's CSR projects, showcased the social sector interventions and its success stories.

After the inauguration, Hon'ble Chief Minister, Assam along with other dignitaries ceremoniously handed over the assistances under project Rupantar to the beneficiaries. As a part of the ongoing CSR Project of OIL 'Rupantar' for creating avenues for sustainable self-employment for development of agro based industries and other allied activities, Oil India Limited extended financial support to 400 Joint Liability Groups (JLGs) with a total investment of 4,49,17,000.00 (Rupees Four crore forty-nine lakh seventeen thousand only) at the disbursement function. Implemented by project partner, State Institute of Panchayat and Rural Development (SIPRD), Assam, around 1850 families are extended support in FY 2017-18.

Shri Sarbananda Sonowal, Hon'ble Chief Minister, Assam in his address congratulated the beneficiaries/JLGs for receiving the assistances from Oil India Limited. While appreciating the social

interventions of OIL under CSR in improving the socio-economic lives of the people of its operational areas, he reiterated about people's contribution in strengthening OIL. Shri Utpal Bora CMD, OIL stated that OIL spends even more than 2% of average net profit of last three preceding years every year in CSR that reflects Company's relentless effort and unconditional commitment.

Shri Rameshwar Teli, local MP and Shri Terosh Gowalla, local MLA in their addresses commended OIL's social sector interventions and its contribution to the state. Smt. Laya Madduri, DC, Dibrugarh spoke about women empowerment that is amplified with OIL's CSR interventions. The function at Bihutoli, Duliajan ended with flagging off of the Agro Product Carrier vans by Hon'ble, CM. Around 2000 beneficiaries attended this mega public event.

Project Implementing Agency, SIPRD, Assam had completed all ground work and 400 JLGs have been formed and trained to undertake various economic activities with the financial aid from OIL and loan from Banks. The JLGs have been formed within OIL's operational areas of Dibrugarh, Tinsukia and Charaideo. The activities include farm mechanization, agro product carrier, poultry, handloom and piggery.

Since 2008 OIL has exclusively formed 2850 SHGs/JLGs to which the Company has extended 50 % subsidy, other financial and material inputs.

## Distribution of sanitary napkins under Swachh Bharat

As part of the joint initiative under Swachh Bharat Abhiyan and Project OIL Arogya, sanitary napkins were distributed among young mothers and adolescent girls of Balijan village. The distribution camp was organized at Balijan North L.P. School where around 220 beneficiaries had participated. Several activities like screening of a movie on health and hygiene with special reference on benefits of using sanitary napkins and their environment friendly disposal followed by health talks and ceremonious distribution of the napkins were carried out. Women members of Saathiya Clubs of various age groups were present who shared their experiences and gave several positive feedback of OIL Arogya. All beneficiaries thanked OIL Management for taking such noble initiatives under CSR.

## IN FOCUS

### Assistance towards Setting up of E-Learning facility at Directorate of Open and Distance Learning (DODL), Dibrugarh University under OIL CSR

In FY 2017-18, OIL had agreed to provide financial assistance under CSR towards setting up of an E-Learning facility at Directorate of Open and Distance Learning (DODL), Dibrugarh University. DODL was set up by the Dibrugarh University to enable the youths who are either employed or self-employed and who are unable to pursue higher education due to poor economic conditions or other reasons. The main objective of DODL is to take Higher Education to the doorsteps of the learners and impart excellent education.

Under DODL, the proposed E-Learning facility will focus on flexible, self-directed study and experiential learning through structured modules to enable learner autonomy. The lab will develop a certain approach to the development of internet-based courses. The templates used will be enriched with advanced technologies such as streaming Video. The other activities of the lab will include management of an online web based system for registration and administrative support for learners and tutors. As the lab follows an open and distance mode of learning work with students will be conducted online as well as provide CDs to students with no internet access. The E-Lab shall also develop in due course ICT based courses relevant to OIL (upstream and downstream), tea and coal industry.

The objective of setting up E-Learning lab is to provide support for the creation of Virtual Technological Institute, to make learning available anytime & anywhere, provision for pedagogic and technical e-learning solutions which is suitable for innovative use in a variety of educational settings, good supporting teaching/learning material with traditional class room teaching and to reduce learning cost.

**Target Beneficiaries:** The target learners will not only be from the rural or interior areas of Upper Assam but also learners from other developing states in India. Beneficiaries who are Students from poor economic background/Drop out students / Regular Students/Employed / Unemployed/House wives/ etc shall benefit under this project. Under the E-Learning lab, Vocational, Certificate, Diploma, UG & PG programs shall be conducted through an Electronic Learning Management System and usage of internet/CDs (if there is no internet connection) etc. The minimum eligibility criteria for vocational, certificate and diploma courses will be 15 years and above. For Post Graduate Diploma courses minimum eligibility will be graduation or above. For degree courses the eligibility criteria will be 10+2 passed. And for Post Graduate courses the minimum eligibility will be graduation. It is estimated that 1,34,000 learners would benefit from the Project in a span of approximately 5 years with an enrollment growth of 23% yearly.

**Courses Offered:** Currently DODL is running Postgraduate Programme in Assamese, English, Education, Sociology, Economics, Mathematics, Political Science and Commerce. Undergraduate Programme in Assamese, English, Education, Sociology, Political Science, Economics and Commerce. Currently these courses are through correspondence mode, where DODL provides Self-Learning Materials (SLMs) and occasional counseling for these programs. With the introduction of E-Learning Lab, DODL will be able to provide full lectures online as well as offline for the aforesaid programs. Further, new diploma, certificate, vocational and PG Diploma courses shall be introduced.

# GUIDING COMMANDMENTS

## OIL CSR Policy

### CSR VISION

CSR at OIL is guided by its vision statement:

“OIL is a Responsible Corporate Citizen deeply committed to socio-economic development in its areas of operation.”

### CSR POLICY OBJECTIVE

The objectives of the CSR Policy are:

- a) To provide a robust framework for carrying out the CSR initiatives in alignment with the Companies Act, 2013 and Department of Public Enterprises(DPE) Guidelines, as applicable from time to time.
- b) To bring about tangible socio-economic development in operational areas of OIL.
- c) To improve community well-being through discretionary business practices and contribution of corporate resources.
- d) To generate goodwill in the society through its CSR initiatives which help in reinforcing the image of OIL as a “Responsible Corporate Citizen.”

## CSR brain Bite

One of the activity is not listed as CSR in the Company's ACT 2013. Identify the activity.

1. Reducing child mortality and improving maternal health
