## SHRI RAJEEV JAIN'S VISIT ENERGIZES PROJECT RUPANTAR

26th April: Shri Rajeev Jain, Director General of Press Information Bureau (PIB) under the Ministry of Petroleum & Natural Gas (MoP&NG), visited the Growth Centre of Project Rupantar at the Swanirbhar building.

Project Rupantar, a flagship CSR initiative of OIL, aims to address unemployment in Upper Assam's operational areas by promoting entrepreneurship development programs among rural women and youth.

Since its inception in 2003, the project has empowered numerous self-help groups (SHGs) and joint liability groups (JLGs) to explore self-employment opportunities in various sectors.

## ASSISTANCE IN NATION'S FIGHT AGAINST TUBERCULOSIS

27th April: Oil India Limited has successfully distributed nutritional food packets at Borborua Primary Health Centre (PHC) as part of the 'Pradhan Mantri TB Mukta Bharat Abhiyan'. The distribution has benefitted over 32 individuals with essential items such rice, mustard oil, pulses, and wheat packets.

This initiative highlights OIL's approach in supporting community health and aligning with national efforts to combat tuberculosis. The ongoing response underscores the company's commitment to social responsibility and ensuring the welfare of local populations through essential healthcare provisions.

## OIL SUPER 30 BREAKS PAST RECORD IN JEE 2024

JEE ADVANCE RESULTS				
OIL SUPER 30				
CENTRE	2023 - 2024			
	STRENGTH	MAINS	ADV.	ADVANCED %
DIBRUGARH	31	31	15	48.39%
GUWAHATI	30	21	11	52.38%
ITANAGAR	31	30	29	96.67%
JODHPUR	30	30	26	86.67%
NAGAON	30	25	14	56.00%
Grand Total	152	137	95	69.34%

2nd May: Continuing its record breaking legacy, OIL's CSR project, 'OIL Super 30' has once again brought laurels. An impressive number of 136 out of 150 enrolled students across five OIL Super 30 centres have qualified in JEE (Main) 2024.

Marking an outstanding success rate of 90.6 percent, three of the centres have achieved perfect 100 percent result.

A total of 95 students have qualified JEE ADVANCED Exams, securing seats in prestigious engineering colleges in India and breaking its own record against 88 students qualifying in the previous year. It may be noted that, 29 out of 30 students from the centre at Itanagar were successful in qualifying JEE ADVANCED, making it a success rate of 96.67%.

## OIL VASUNDHARA MUSHROOMS IN DIGBOI

3rd May: As a part of OIL's Green CSR Project 'OIL Vasundhara', local rural communities dependent on forests of Lakhipather area in Digboi have been actively taking part in mushroom cultivation, serving as avenues for alternative livelihoods to lessen their reliance over local forests.

OIL has been successful in conducting mushroom cultivation training sessions for registered Joint Forest Management Committees (JFMC) members/Self Help Groups (SHGs) in Soraipung and Lakhipather Range. Trained by experts from the Mushroom Development Foundation, Guwahati, this venture has empowered over fifty participants encouraging them for self-sustenance.

### Did You Know ?

Mushrooms contain around 80-90% water. Different species of edible mushrooms are a great source of vitamin B, essential minerals like potassium and copper.

## NEW DESIGN STUDIO EXHIBIT THREADS OF TALENT

24th May: Oil India Limited recently developed a 'Design Studio' at OIL's Centre of Excellence for Handicraft, Handloom and Entrepreneurship (CoE) at OIRDS building. The studio essentially showcases the various value added handlooms and crafts being promoted by the CoE. It is worth noting that most of the products currently in display are the outcomes of training and some have been developed as prototypes for the purpose of future trainings.

The design studio with its aesthetically pleasing décor would serve as a promising hub for motivating incoming batches of potential weavers and artisans to take up entrepreneurial ventures while being well equipped with an understanding of market relevant products and designs. Along with it, the studio also promises for more new items to be displayed as time progresses.

## OIL SHAKTI STRENGTHENS WOMEN WITH MENSTRUAL HEALTH

**28th May:** Oil India Limited celebrated World Menstrual Hygiene Day at PAHI Sanitary Napkin Production Units in Laipuli, Tinsukia under Project OIL Shakti in association with UGC Centre for Women's Studies, Dibrugarh University and Members of Gender Champions Club, Dibrugarh University.

The event was attended by students and faculties of the university along with local community women and adolescent girls.

The OIL officials took a brief awareness session on the project and product along with an understanding of menstrual health and hygiene and its impact on social and economic empowerment of women.

Moreover, Dr. Nasmee F. Akhtar, Director i/c of UGC Centre for Women's Studies gave the first order fulfillment cheque of Rs. 12,000/- for 300 sanitary pads delivered by the 2nd unit established under PAHI in the last financial year

## NUTRITIONAL BOOST FOR TB PATIENTS

30th May: As a CSR initiative to support Pradhan Mantri TB Mukta Bharat Abhiyan, OIL has successfully offered community support by distributing nutritional food kits to 53 TB patients at Lahowal Public Health Centre, Dibrugarh. To meet nutritional needs of the patients, the food packages consisted of several daily essentials like pulses, mustard oil, and rice along with wheat packets.

Officials from OIL made the patients aware of the ways to fight against the disease and also conveyed the aim of the program, followed by contributions made by OIL.

## OIL SUPER 30 SUCCESS OVER NEET 2024

**6th June:** Students of OIL Super 30, Jorhat centre successfully qualify NEET 2024 with flying colours, as the centre attains 100 percent success rate for the third consecutive year.

The objective of the OIL Super 30 project is to provide eleven months of free residential coaching and academic mentoring to underprivileged students for JEE and NEET and enable their admission to various engineering and medical colleges. The students from various districts of Assam, Arunachal Pradesh and Rajasthan are selected across various centres through a meticulous process of written tests and interviews.

## PROJECT KUSUM LAUNCHED TO HELP LIVELIHOODS BLOSSOM

**27th June:** 'Integrated aromatic florivillage for livelihood enhancement' a unique CSR initiative of Oil India Limited in the state of Tripura was ceremoniously launched today by Shri Sukla Charan Noatia, Hon'ble Minister of Cooperation, Tribal Welfare (TRP & PTG), Welfare of Minorities, Govt of Tripura.

The ceremony was successfully held in presence of Shri Pramod Reang, Hon'ble MLA, Santirbazar Assembly Constituency, Tripura; Dr. Manas Kumar Sharma, Director (Exploration & Development), OIL; Shri Pankaj Kumar Goswami, Director (Operations), OIL; Dr. Ajit Kumar Shasany, Director, CSIR-NBRI, Shri Ranjan Goswami, Executive Director (Business Development), OIL, Shri Sasanka Sekhar Deb, ED (Frontier Basin), OIL and others officials of OIL and CSIR-NBRI.

Speaking on the occasion, Shri Sukla Charan Noatia stated that the state of Tripura welcomes such interventions and he strongly believes that this project will be beneficial for the local communities and aiding in their livelihood enhancement through use of scientific methods in floriculture.

## OIL JEEVIKA HARVESTING HOPE IN TINSUKIA

28th June: Tracing the growth and harvest of various crops under 'Oil Jeevika', in Hapjan and Guijan Development Blocks of Tinsukia district, OIL has been successfully executing cluster-based diversified livelihood intervention. The CSR project in Tinsukia district has also started the initial work under the Agarbatti rolling unit.

Crops such as king chilli, orange, lemon, pepper, bamboo, tea, ginger, etc, cultivated by local farmers through scientific methodology not only promotes entrepreneurship but also advances activities at homestead level for improved food and nutritional security along with a focus on increasing the participation of women and youth in productive economic activities.
