5	Construction of 09 (nine) Model Anganwadi Centres	Education

Masks to fight COVID 19 made by SHGs/JLGs under OIL's CSR Project Rupantar

As an emergency response towards providing a safe and innovative solution to fight COVID-19, Oil India Limited under its CSR project Rupantar made 11,600 nos. of Eri Fabric non-surgical masks through its SHGs/JLGs implemented by project partner State Institute of Panchayat & Rural Development (SIPRD), Govt. of Assam.

Eri as a fabric consists of a bio-polymer with excellent thermal properties and more crystallinity with required amounts of glycerin and alanine. It is considered to have excellent air permeability, is naturally anti fungal, sweat proof, breathable and odourless. The washable & reusable Eri masks were incorporated with germicidal UV light technology ensuring its disinfection before distribution.

Few masks were ceremoniously handed over by Shri D K Das, RCE, OIL at Duliajan on 9th April 2020 in presence of Shri P Borkakoty, ED (HR&A), Shri H C Borah, CGM (Admin), Shri D K Bhuyan, CGM (PA), office bearers of IOWU and other officials of OIL.

OIL Contribute Rs 38 Crore to PM Cares Fund to combat COVID 19 under CSR

OIL's CSR Project Sparsha continues amid the COVID 19 Outbreak

OIL Sparsha team of doctors, Nurses and Pharmacists continued visiting houses at the allocated service points and catering to the old and vulnerable populace, apart from providing awareness on COVID 19 protocols to the villagers. Overcoming the current challenges, OIL Sparsha team also continued dispensing free medicine to the villagers, aged beneficiaries, pregnant women and children by conducting home based lab tests and offering doctor's consultation right at their door steps.

Hygiene kits were distributed under Arogya

Under OIL's CSR project Arogya, more than 9000 people in the relief camps at Baghjan were provided with hygiene kits, sanitary napkins, baby care kits and disinfectants. Besides distribution, awareness on health for all with special focus on menstrual hygiene and hygiene of babies was carried out by the OIL CSR team.
