

INVITATION FOR EXPRESSION OF INTEREST FOR ‘Supply of 13Cr corrosion-resistant alloy steel casing complete with attachments, featuring high-strength mechanical properties suitable for oilfield applications.

1. Introduction

OIL INDIA LIMITED (OIL), a Government of India “MAHARATNA” Category Enterprise, is a premier Oil & Gas Company engaged in exploration, drilling, production, and transportation of hydrocarbon with its headquarter at Duliajan in Dibrugarh district of Assam, India. OIL has major share of its E&P activities in Assam & Arunachal Pradesh besides activities in rest of India and abroad.

2. Objective

The objective of this Expression of Interest (EOI) is to identify reputed manufacturers capable of supplying 7” ,5 1/2” and 5” casing made of 13Cr corrosion-resistant alloy steel with equivalent to P110 / Q-125/V-150 strength grade, in compliance with API 5CT dimensional, mechanical standards. The purpose is to assess vendor capability, availability, and readiness to supply the required casing for new well design and operations, ensuring mechanical performance, corrosion resistance, and quality assurance as per the specified requirements.

OIL invites **Expression of Interest (EOI)** from interested and reputed manufacturers with relevant experience and expertise to supply casing pipes with specified technical specifications as mentioned under Para 4.0 below.

3. Delivery Location and Delivery Period

The casing pipes and tubing along with attachments are required to be delivered at OIL’s designated godown/yard in Duliajan within 180 (one hundred eighty) days from P.O. date.

4. Technical specifications and Quantities

Supplier is to supply the following casings and accessories as mentioned below:

- (a) The items shall be brand new, unused and of prime quality.
- (b) Thread protector to be fixed on the threads.
- (c) The product shall be free from all defects and fault in material, workmanship and manufacture and shall be in full conformity with ordered specifications. This clause shall be valid for 18 months from date of dispatch or 12 months from date of receipt of the items. The defective materials if any, will be rejected and shall be replaced at supplier’s cost.
- (d) All the items to be procured from the same source.
