**RULES FOR DRAW OF LOTS TO BE HELD ON 10.08.2026 AT 12:30 HRS. IST**  
**AT CONTRACTS DEPARTMENT, DULIAJAN**

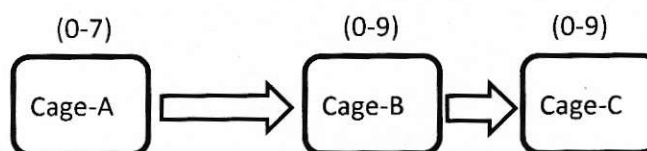

**(REF. TENDER NO. GEM/2026/B/7596290 - HIRING SERVICES OF 72**  
**(SEVENTY-TWO) BRAND NEW WELDING AND CUTTING SETS FOR WELDING &**  
**CUTTING OPERATIONS IN OIL'S OPERATIONAL AREAS AT ASSAM AND**  
**ARUNACHAL PRADESH.**

This is for general information to all concerned that the following rules shall be applicable for the above noted Draw of Lots (Lottery):

- 1.0 Three digit "**Serial Numbers**" for the Draw of Lots have been allotted to each bidder, as per **ANNEXURE-A** (enclosed) amongst the lowest bids (L1) as reflected on the GeM portal, ranging from '001' to '764'.

It may be noted that selection for "Priority No. 1" has already been made on 01.08.2026 through the GeM-based L1 Selection ("Run L1 Selection") process, in accordance with the provisions of the GeM General Terms and Conditions (GTC) and Clause 5.0 (Award of Contract) of the Bid Evaluation Criteria (BEC) of the subject tender. Accordingly, the Draw of Lots shall be conducted amongst the remaining 763 (Seven Hundred Sixty-Three) lowest (L1) bidders (Serial Numbers from "002" to "764") for preparation of the priority list for award of the remaining 17 (Seventeen) contracts.

- 2.0 For conducting the Draw of Lots for selecting Priority No. "2" to "54", there will be **Three** tombola cages, as detailed below:
- 2.1 "**Cage-A**" will contain digits from "0" to "7" (total eight tombola balls) for drawing out the digit in the "**hundreds**" place.
- 2.2 "**Cage-B**" will contain digits from "0" to "9" (total ten tombola balls) for drawing out the digit in the "**tens**" place.
- 2.3 "**Cage-C**" will contain digits from "0" to "9" (total ten tombola balls) for drawing out the digit in the "**unit**" place.
- 3.0 **Flow Chart for the above illustration:**

4.0 **Procedure for Draw:**

- 4.1 For the digit in the "**hundreds**" place, draw will be done from "**Cage-A**". The digit coming out will be for the hundred place (within 0 to 7), which after recording will be put back into the cage. The digit coming out, say 7, means the digit in the "hundreds" place is '7'.

- 4.2 For the digit in the **"tens"** place, draw will be done from **"Cage-B"** in a similar manner and after recording the number (within 0 to 9) will be put back into the cage. The digit coming out, say 6, means the digit in the "tens" place is '6'.
- 4.3 The digit in the **"unit"** place will be drawn from **"Cage-C"**. The digit coming out will be for the unit place (within 0 to 9) which after recording will be put back into the cage. The digit coming out, say 4, means the digit in the "unit" place is '4'.
- 4.4 After drawing this, a three-digit number will be found which will be assigned the **"Priority Number"**. From the above illustration, the number thus arising is **764**.

**Hence the final SERIAL NUMBER of the bidder arising is 764.**

- 4.5 The eligible bidder bearing the first number thus selected would be assigned as **"Priority No. 2"** and shall be provisionally shortlisted for further processing, subject to detailed techno-commercial evaluation in accordance with the tender provisions. Draw shall be continued similarly for selecting Priority No. **"2"** to **"54"** in that order.
- 5.0 **Redraw:** Redraw for all the digits shall be done in the following instances:
- (i) If the number drawn is **"000"** or **"001"**.
  - (ii) If the number is drawn is greater than **"764"**.
  - (iii) If the number drawn is a **repeat number**.
  - (iv) If the number drawn is **not allotted** as per the list declared (**Annexure-A**).

In all the above cases, draw will be repeated.

- 6.0 **The result of the Draw-of-lots shall be published on OIL's website.**
- 7.0 **Draw of Lots (Lottery) will be done by a member from the public/contractor present at the time of Lottery in presence of OIL's officials and the person drawing the same will be required to put his/her signature against the numbers drawn by him/her. A person drawing the lottery will be required to draw 05 (five) or more (if required) Nos. of Priority Nos. as described above.**
- 8.0 The bidder selected through the Draw of Lots shall be treated as **provisionally shortlisted** only. Such selection shall not, by itself, confer any right upon the bidders for award of contract. The bids of the provisionally shortlisted bidders shall be subjected to techno-commercial scrutiny in accordance with the terms and conditions of the tender. In the event that any provisionally shortlisted bidder is found to be techno-commercially unacceptable, the bid shall be rejected and the next bidder, in the order of priority established through the Draw of Lots, shall be taken up for techno-commercial evaluation. The process shall continue until the required number of techno-commercially acceptable bidders is identified for award of the contracts.

**NOTE: In case any dispute arises during "Draw-of-Lots", OIL management reserves the right to take the final decision in this regard which shall be binding on the bidders.**
