Contracts Department,

OIL, Duliajan

Sir,

With reference to our quotation against Tender no. **CDG0589P26**, we hereby confirm that we have gone through the Tender document in toto and quoted Expenses to be incurred in India in percentage (%) against the Total contract price. We have quoted after proper due diligence and take full responsibility for the same. We agree to the condition that during payment of the expenses in India component of the price quoted by us against the total quoted/awarded price shall be converted to INR (if quoted price is other than INR) considering the conversion rate as per Clause No. 21.0 of ITB and payment of expenses in India component against each invoice shall be limited to the extent of the percentage quoted by us. If the quoted Expenses in India component increases after award of contract, then we will inform Oil India Limited in due course of time and same will also be considered while calculating payment of Expenses in India component.

Yours faithfully,

Contracts Department,
OIL, Duliajan

Sir,

With reference to our quotation/bid against Tender no. **CDG0589P26**, we hereby confirm that we have gone through the Tender document in toto and quoted Import content of the services in percentage (%) against the Total contract price. We have quoted after proper due diligence and take full responsibility for the same. We agree to the condition that payment of Import content of the services against each invoice shall be limited to the extent of the percentage quoted by us against the total quoted/awarded price and no increase in that percentage shall be paid by the Company during the entire duration of the contract. We shall also substantiate the extent of the quoted import content during the duration of the contract. If the quoted Import content portion decreases after award of contract, then we will inform Oil India Limited in due course of time and same will also be considered while calculating payment of Import content portion.

Yours faithfully,
