The Bidders have to get the various documents required against BEC/BRC of the tender verified and certified by anyone of the above Independent Inspection Agencies and submit the duly certified documents alongwith the Inspection Certificate issued by the Inspection Agencies as part of their Technical Bids. It may be noted that the scope of inspection is primarily to verify the authenticity of the documents being submitted as part of the bid. All Charges of the Third-party Independent Inspection Agencies towards verification of bidder's documents and certification thereof shall be borne by the respective bidders and Payments on account of above inspection, verification and certification shall be made directly by the Bidder to the Inspection Agency(s). OIL will not be responsible for any payment dispute between Bidders and Third Party Inspection Agencies.

As mentioned above, Bidder(s) have to submit the verified documents and the duly certified Inspection Certificate by the Inspection Agencies along with the Technical Bids. Bid submitted with un-verified supporting documents shall not be normally considered. However, in case a bidder submits its bid alongwith all relevant supporting documents against BEC/BRC without getting all/some of them verified by the designated Independent Inspection agency, **such bid can be provisionally considered provided it is accompanied by an Undertaking by the Bidder on their official letterhead as per PROFORMA-16 to submit the duly verified copies/verification certificate within seven (7) days of actual bid opening.** Company will neither send any reminder nor seek any clarification in this regard from such bidders, and the bid will be rejected outright if the bidder fails to submit the verified copies/verification certificate within seven (7) days of actual bid opening at its own risk and responsibility. **If a bidder does not submit the undertaking towards submission of third party certification within 7 days from date of Bid Closing date, but certified document reaches us within the cut-off date of above seven (7) days, then such bids shall be considered.**

The methodology of inspection/ verification of documents followed by the agencies is broadly as under but not limited to:

It is obligatory on the part of the interested Bidders, who choose to participate against the tender, to understand the tender requirements in entirety and the requisite documents sought for in support of the Bid Rejection & Bid Evaluation Criteria (BEC/BRC) mentioned in the tender in particular. The Bidder must produce all the appropriate documents before any of the OIL's empanelled third party certifying agencies for verification/certification. Neither OIL nor the third party certifying agency shall be held accountable in any manner regarding the choice of documents by the bidder for verification. Therefore, getting the appropriate documents inspected/ verified by the agency in support of BEC/BRC clauses is the sole responsibility of the Bidder.

		<p>The prospective bidder shall contact any of the empanelled inspection agencies. The agency shall go through the Tender Document, especially the requirements of BEC/BRC and list the documents to be verified. They shall depute their qualified/competent inspector to the Bidder's premises to check the original documents and certify the copies which the bidder shall submit along with their bids. OIL will reserve the right to ask the inspection agencies to verify the documents with source, if required at no extra cost to OIL. Verification of documents by OIL's empanelled third party agency shall not automatically make the bidder eligible for award of contract.</p> <p>Verification of documents are normally categorised as under:</p> <ul style="list-style-type: none"> ➤ General Requirement: <ul style="list-style-type: none"> • Check Bidder's PAN Card • Check Bidder's GST Certificate • Check ITR of company – last three years (minimum) • Check Bidder's Certificate of Incorporation – Domestic Bidder. ➤ Additional Documents: (If applicable against the tender) <ul style="list-style-type: none"> • Joint Ventures Agreements – To Double-check with JV Partners • Consortium Agreements – To Double-check with Consortium Partners • Holding/ Parent/Subsidiary Company – To check the notarized Share Holding pattern ➤ Technical Criteria: <ul style="list-style-type: none"> • To check Experience Proof – • To Check the Completion Certificates – Letter of Appreciations of proper Execution • Reference contact verification and true copy verification • To check Original Work Order/Contract Copy • To check any other document(s), if called for vide BEC/BRC of the Tender. ➤ Financial Criteria: <ul style="list-style-type: none"> • Check and verify Audited Balance Sheet/CA certificate – Turnover & Net Worth. • Check Notarization validity, if any • To check the Line of Credit, if incorporated in the tender.
