8	Scope of Work  Clause no. 5.15	New Clause	<b>Contractor must obtain all necessary administrative permission for using explosive and detonators for seismic survey operations.</b>								
9	Scope of Work  Clause no. 5.16	New Clause	<b>OIL may provide the explosive and detonators to commence the seismic survey operations. However Contractor shall arrange security, transportation and storage facility for explosive and detonators provided by OIL. In this case no payment will be made to Contractor for consumption of explosive and detonators.</b>								
10	Scope of Work  Clause no. 6.6.1	Contractor must provide 120 (One Hundred Twenty) nos. of 12V, 75/80 Ah fully charged BATTERY with connector (Vintage not more than 6 Months old) during the entire field operations on daily basis. The Contractor shall also arrange the suitable site and facilities for charging these batteries on daily basis at their own cost.	Contractor must provide 120 (One Hundred Twenty) nos. of 12V, 75/80 Ah fully charged BATTERY with connector (Vintage not more than 6 Months <b>old from LOA</b> ) during the entire field operations on daily basis. The Contractor shall also arrange the suitable site and facilities for charging these batteries on daily basis at their own cost.								
11	Scope of Work  Clause no. 6.6.4	New Clause	<b>All the facilities setup for charging and storage of batteries should be as per OISD guidelines.</b>								
12	Scope of Work	In case the depth of single shot hole is less than	In case the depth of single shot hole is less than								

	Clause no. 8.2 (l)	15 meters, the shot hole shall be rejected, and no data recording shall take place in the same hole. Similarly, in case of pattern shot hole, the depth of each hole should not be less than 6m, otherwise the pattern- hole will be rejected. However, for shot hole depth less than 20 m and up to a depth of 15m, penalty shall be deducted per meter at rate of 0.5% of the quoted rate per shot.	15 meters, the shot hole shall be rejected, and no data recording shall take place in the same hole. Similarly, in case of pattern shot hole, the depth of each hole should not be less than 8m, otherwise the pattern- hole will be rejected. However, for shot hole depth less than 20 m and up to a depth of 15m, penalty of 0.5 % of the per shot rate per meter rate shall be levied.
13	Scope of Work Clause no. 11.2 Point 2	Minimum ten (10) numbers of specific mechanized shot hole drilling rigs suitable to operational area, in good working condition with all necessary ancillary spares/compressors along with drilling rig operators as required. All the mechanized drilling rigs deployed must be capable to drill minimum 20 m depth.	This clause stands deleted.
14	Scope of Work Clause no. 11.2 Point 7	Contractor must provide 120 (One Hundred Twenty) nos. of 12V, 75/80 Ah fully charged BATTERY with connector (Vintage not more than 6 Months old) during the entire field operations on daily basis. The Contractor shall also arrange the suitable site and facilities for charging these batteries on daily basis at their own cost.	Contractor must provide 120 (One Hundred Twenty) nos. of 12V, 75/80 Ah fully charged BATTERY with connector (Vintage not more than 6 Months old from LOA) during the entire field operations on daily basis. The Contractor shall also arrange the suitable site and facilities for charging these batteries on daily basis at their own cost.
15	Scope of Work Clause no. 21.4	In case the operations are halted by the COMPANY due to instrument malfunctions or adverse weather conditions such as heavy rain or thunderstorms and number of shots recorded falls below the daily planned number of shots as outlined in clause 13.1 of the Scope of Work (SOW), the CONTRACTOR shall be compensated for the actual number of shots taken, as well as an additional 50% of the cost of the remaining shots that were planned but not executed due to the interruption.	If the survey operations are stopped by the COMPANY due to instrument malfunctions, the Contractor shall be entitled for the following: i) If the number of shots recorded is less than 50 % of the planned shots for the day as per clause 13.1 of Scope of work (SOW) then, the Contractor shall be paid charges for the actual recorded shots in addition to the quoted rates against Standby for maintenance of equipment. ii) If the number of shots recorded is more than 50% of the planned shots for the day as per clause 13.1 of Scope of work (SOW) then, the

			Contractor shall be paid charges for the actual recorded shots only.
16	Scope of Work Clause no. 22.2	The CONTRACTOR shall be responsible for loss/damage to the COMPANY equipment/materials in their custody. In case of loss/damage occurred to the issued ground electronics in the field/fly camps, the Contractor shall arrange to repair the damaged ground electronics or replace ground electronics with same or higher specification compatible with COMPANY instrument. In case Contractor cannot repair or replace lost/damaged equipment, purchase order cost of the equipment shall be recovered from the CONTRACTOR along with additional 10% as handling charges.	The Contractor shall be responsible for loss/damage to the COMPANY equipment/materials in their custody. In case of loss/damage occurred to the issued ground electronics in the field/fly camps, the Contractor shall arrange to repair the damaged ground electronics or replace ground electronics with same or higher specification compatible with the COMPANY instrument. In case Contractor cannot repair or replace lost/damaged equipment, the COMPANY shall retain or recover cost of the equipment as per Book Value or 50% of the purchase order value whichever is higher along with additional 10% as handling charges from any of the invoices submitted by the Contractor.
17	Scope of Work Clause no. 22.10	If the CONTRACTOR fails to provide requisite number of Assistant Supervisors as specified under Clause 11.0 of Scope of Work, the COMPANY shall levy penalty of Rs. 788/- per day per person on Pro rate Basis.	If the Contractor fails to provide requisite number of Assistant Supervisors and HMV Drivers as specified under Clause 11.0 of Scope of Work, the COMPANY shall levy penalty of Rs. 788/- per day per person on Pro rate Basis.
18	Scope of Work Clause no. 22.11	If operations are stopped due to non-availability of explosives & detonators, penalty shall be levied at the rate of 20% of minimum production requirement per day i.e., 20 shots per day.	In case the Contractor is not able to supply explosives & detonators and shooting operations is stopped, penalty shall be levied at the rate of 20% of minimum production requirement per day i.e., 20 shots per day. However penalty clause shall not be applicable in case of explosive and detonators is supplied by the company as mentioned in clause 5.16 of scope of work.
19	Scope of Work Clause no. 22.14	New Clause	In the event of partial mobilization by the Contractor, if the COMPANY elects to commence work within the mobilization period mutually agreed upon by the Contractor, an amount equal to 5% of the cost per shot for the total number of accepted shots shall be retained from the Contractor's running invoices. This retention

			shall be released with the final invoice upon project completion, subject to the full completion of mobilization within the scheduled timeframe of 45 days from the date of the Letter of Award (LoA). In case, the partial mobilization extends beyond the scheduled mobilization period, a penalty of 5% of the cost per shot shall be applied for the period exceeding the scheduled mobilization timeframe until the completion of mobilization. Such penalty deductions shall be made from the running invoices submitted by the Contractor.
20	Scope of Work  Clause no. 22.15	New Clause	<p>After completion of mobilization period, if the Contractor has short-supplied the resources/manpower against the mobilization clause no. 11 of Scope of Work, however the Contractor wishes to commence the data recording operation, the Contractor may request in written to Company to allow for the commencement of the recording operation and Company at its discretion may allow for the same with the following terms and conditions.</p> <p>a. The Contractor shall indicate the tentative date of mobilization of short-supplied resources/manpower in written request.</p> <p>b. The Contractor shall inform the company in writing indicating the date of availability of short-supplied resources/manpower. The deductions charges as penalty towards short-supplied resources/manpower will cease once the items are made available by the Contractor and acceptance of the same by Company.</p> <p>c. Notwithstanding this provision for partial mobilization, Contractor shall quote in accordance with relevant clauses for full mobilization.</p> <p>d. In this regard, the Company's decision shall</p>

			be final and binding upon the Contractor. e. In above case of partial mobilization of resources/manpower as mentioned in clause 11, Scope of Work, 5% of cost/shot for the total no. of accepted shots be deducted from running invoice/bill raised by the Contractor until mobilization is fully completed with other penalty applicable as mentioned in penalty clause of scope of work.

**Sub: Tender No. GEM/2024/B/5253838 for Hiring of services for In-House 3D Seismic Survey Operation using hybrid seismic data acquisition system for acquiring 3D seismic data of Twenty Five thousand (25000) shots with Mechanized and Manual (Dheki/Rotary) drilling using 4500±15% channel with other associated activities.**

Dear Sirs,

1.0 OIL INDIA LIMITED (OIL), a “Maharatna” Category, Government of India Enterprise, is a premier OIL Company engaged in exploration, production and transportation of crude oil & natural gas with its Headquarters at Duliajan, Assam. Duliajan is well connected by Air with nearest Airport being at Dibrugarh, 45 km away.

2.0 In connection with its operations, OIL invites Local Competitive Bids (LCB) from competent and experienced Contractors through GeM portal for **Hiring of services for In-House 3D Seismic Survey Operation using hybrid seismic data acquisition system for acquiring 3D seismic data of Twenty Five thousand (25000) shots with Mechanized and Manual (Dheki/Rotary) drilling using 4500±15% channel with other associated activities.** One complete set of Bid Document covering OIL's IFB for hiring of above services is uploaded in GeM portal. You are invited to submit your most competitive bid on or before the scheduled bid closing date and time through GeM portal. For your ready reference, few salient points of the IFB (covered in detail in the Bid Document) are highlighted below:

<b>IFB No./ Tender No.</b>	<b>GEM/2024/B/5253838</b>
a. Type of IFB.	Single Stage Two Bid System
b. Bid Closing Date & Time.	<b>As mentioned in GeM portal</b>
c. Bid Opening Date & Time	<b>As mentioned in GeM portal</b>
d. Priced Bid Opening Date & Time.	<b>Will be notified to the acceptable bidders in due course of time.</b>
e. Bid Submission Mode.	Bid to be uploaded on-line in GeM portal.
f. Bid Opening Place.	Office of HoD of Contracts Department Contracts Department, Oil India Limited, Duliajan-786602, Assam, India.
g. Bid Validity.	120 days from bid Closing date.
h. EMD/ Bid Security Value	INR 1,72,25,000.00
i. EMD/ Bid Security validity	165 days from original bid Closing date.
j. Amount of Performance Security	5% of contract value
k. Performance Security Validity	90 days beyond the expiry of the contract
l. Mobilization period	45 (Forty Five) days from the date of issue of

	Letter of Award (LOA)
m. Duration of the Contract	The duration of the contract shall be for a period of <b>02 (Two) years and 45 (Forty Five) days</b> (inclusive of mobilization period) from the date of issue of Letter of Award (LoA).  Note: The Contract shall have a provision of up to 25% work volume extension and extension in time maximum up to 06 (six) months at the same terms & conditions and at mutually agreed rates not exceeding the original contract rates at the discretion of OIL.
n. Quantum of Liquidated Damage for Default in Timely Mobilization	Refer clause No. 30.0 of General Conditions of Contract (SECTION-I of STC)
o. Pre-Bid Conference	Applicable
p. Integrity Pact	Applicable

3.0 **Pre-Bid Conference:** A pre-bid conference to explain Company's exact requirements and to reply queries of Bidders, if any, on the tender stipulations will be held against the tender. The date, time and venue of the pre-bid conference is mentioned on GeM portal. Maximum of two representatives of each bidder will be allowed to attend the pre-bid conference on producing authorization letter. All pre-bid queries should be submitted to the dealing officer over email to [bhavik\\_mody@oilindia.in](mailto:bhavik_mody@oilindia.in) and [contracts-operations@oilindia.in](mailto:contracts-operations@oilindia.in) on or before the stipulated deadline for submission of queries as mentioned on GeM portal. OIL may not be liable to entertain the pre-bid queries received after the stipulated deadline.

#### 4.0 **GUIDELINES FOR PARTICIPATING IN GEM PORTAL:**

4.1 Bids are to be submitted through GeM Portal. Vendors must use their GeM Seller ID and Password for participation in the tender. Vendors who do not have GeM Seller ID must register themselves as Seller in GeM Portal by visiting Government e-Marketplace Website - <https://gem.gov.in/>.

4.2 Vendors may also refer to the Seller Help Document for participating in the tender which is uploaded under "For Vendors << GeM Tender" in OIL's Website. The URL for the same is provided below for ready reference:  
<https://www.oil-india.com/pdf/Custom%20bid%20seller%20end.pdf>.

5.0 **FURNISHING FRAUDULENT INFORMATION/DOCUMENT:** The information and documents furnished by the bidder/contractor in respect of the subject tender/contract are accepted to be true and genuine. However, if it is detected during technical scrutiny or after award of the contract or after expiry of the contract, that the bidder had submitted any fake/ fraudulent document or furnished false statement, the offer/contract shall be rejected/ cancelled, as the case may be and the bidder (if fake document/false statement pertains to such bidder) shall be dealt as per the Banning Policy (available in OIL's website) of Company. The bidder has to submit an undertaking in this regard as per attached **PROFORMA-VIII**.

6.0 The bidders are required to furnish the composition and status of ownership of the firm in whose name bid documents have been purchased/issued along with one or more of the following documentary evidences (which are applicable to the bidder) in support of

the same and scanned copies of the same should be uploaded along with the Un-priced Techno-Commercial Bid documents.

6.1 In case of Sole Proprietorship Firm, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, business and residential address, E-mail and telephone numbers of the owner and GSTIN number.

6.2 In case of HUF, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form, Family Arrangement indicating therein the name, residential address, E-mail and telephone numbers of the owners in general and Karta in particular and GSTIN number.

6.3 In case of Partnership Firm, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, residential address, E-mail and telephone numbers of all the partners (including the Managing Partner), registered partnership agreement/deed and GSTIN number.

6.4 In case of Co-Operative Societies, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, residential address, E-mail and telephone numbers of all the Directors or persons who are at the helm of affairs, registration certificate from Registrar of Co-Operative Societies and GSTIN number.

6.5 In case of Societies registered under the Societies Registration Act, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, residential address, E-mail and telephone numbers of all the Directors or persons who are at the helm of affairs, registration certificate from the Registrar of the state and GSTIN number.

6.6 In case of Joint Stock Companies registered under the Indian Companies Act, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, residential address, E-mail and telephone numbers of all the Directors or persons who are at the helm of affairs, Certificate of Incorporation from the Registrar of Companies, Memorandum and Articles and GSTIN number.

6.7 In case of Trusts registered under the Indian Trust Act, Copies of Telephone/Electricity/Mobile Bill, PAN card, latest Income Tax Return form indicating therein the name, residential address, E-mail and telephone numbers of all the Trustee or persons who are at the helm of affairs, registration certificate from the Registrar of the state, Trust Deed and GSTIN number.

7.0 Bidders are advised to go through GeM GTC and uploaded bid documents thoroughly before creation of their bids. Bidders may contact the following in case of any query:

a. Mr. Bhavik Haresh Mody, Sr. Manager (Contracts)

E-mail: [bhavik\\_mody@oilindia.in](mailto:bhavik_mody@oilindia.in)

8.0 Amendments to the NIT after its issue will be published on GEM portal and OIL's website only. Revision, clarification, addendum, corrigendum, time extension etc. to the tender will be hosted on GEM Portal OIL website only. No separate notification shall be issued in the press. Prospective bidders are requested to visit website regularly to keep themselves updated.

9.0 The order of precedence of the documents in this tender document is as under:

i) Bid Evaluation Criteria

ii) Scope of Work / Special Conditions of Contract / Terms of Reference/ Schedule of Rates

iii) General Conditions of Contract

- iv) Instruction to Bidders
- v) GeM Terms and Conditions

10.0 OIL now looks forward to your active participation in the IFB.

Thanking you,

**Yours faithfully,  
OIL INDIA LIMITED**
