1. Category cover 2 classes of products namely OEM Cartridges and Compatible Cartridges
2. For Parameter "Product Class of Cartridge", "OEM" shall mean OEM for Printers only and not OEM for compatible cartridges. "Compatible" shall mean OEM of compatible cartridges only.
3. OEM Cartridge covered is the cartridge having the brand of the respective printer OEM. Compatible Cartridge is the cartridge having the brand different than the respective printer brand or is manufactured by an entity other than OEM of the printer and is meant to fit in a particular printer for replacing OEM Cartridges.
4. Printer OEMs who are given entry in the category and allowed Dashboards can upload catalogues of OEM Cartridges choosing product class option as OEM. Compatible OEMs are those entities who are vendor-assessed as per the special VA criteria applicable (Available on GeM Website) by Vendor assessment agency of Government e marketplace. They are required to upload catalogues strictly in terms of the VA report and choosing product class option as compatible. Any deviations by OEMs/Compatible OEMs in appropriate product class option shall be viewed seriously and result in administrative actions against the respective seller.
5. Against parameter Type of Replacement Cartridge/Consumable options applicable depending on the type as cartridge or consumable is to be chosen while creating catalogue. For example if ink bottle or toner powder bottle are being uploaded the relevant option to be chosen as consumable and if toner cartridge is being uploaded option to be chosen as toner cartridge
6. Parameter model Number of OEM Printer /MFP etc., for which offered Cartridge/Consumable is suitable will guide the buyer in identifying the OEM or compatible cartridge to be procured for a specific printer. While creating catalogues sellers are to ensure that options are chosen according

- to the printer model for which offered cartridge is suitable
7. Model Number of cartridges/Consumable offered by compatible manufacturer indicate suitability of offered compatible cartridge with the OEM Cartridge model. For OEM also options covering their cartridge model numbers are included against parameter Model number of OEM's Printer Cartridge/Consumable. This details along with printer model for which offered cartridge/consumable is suitable shall help in identifying suitability of offered cartridge/consumable by buyers for the printers/multifunction machines available with them
 8. Both Printer OEMs who are uploading catalogues for their OEM cartridges as well as compatible OEMs are required to get the model/Part Nos included in drop-down options Compatible OEMs are required to get their model nos included in the drop-down options for selection during the creation of catalogues. They are required to submit a list of compatible model nos through the help desk for inclusion and shall create catalogues selecting their model nos only after inclusion creation of catalogues choosing incorrect model nos shall be viewed seriously and may result in removal of catalogues in addition to other administrative actions ..Compatible OEMs are also required to ensure that they do not indicate their model no or part no in any manner resembling OEM model/Part No to avoid confusion to the buyers.
 9. Name of the OEM of Cartridge/Consumable offered shall indicate Printer OEM or name of compatible OEM as per VA report .Printer OEM or compatible OEM are to upload catalogues only choosing their name from drop down options After completion of VA sellers should approach GeM through help desk to get name included under options provided against this parameter. Dash board should be taken for creating catalogue only after including name.
 10. The buyers are requested to note that, when the OEM cartridges for different brands of printers are procured through bunch bids, they should opt for item-wise evaluation and not a total value-wise evaluation. This shall ensure that resellers of only one of the printer brands will also be able to participate in the bid. In the event of total value-wise evaluation only entities who are resellers for both the printers' brands shall be able to participate. Further OEM and compatible cartridges may not be bunched together.
