Sl. No	Item No	Material Description	Bidders Remarks Complied/Not Complied/Deviation	Relevant Location of the document in their Bid to support the remarks/compliance
1	<u>10</u>	<p>2.7/8” Tubing Stripper Tubing Head : [Qty-6 nos]</p> <p>A) Stripper Tubing Head with following specifications:</p> <p style="padding-left: 40px;">Lower Flange (Inlet Flange) size: 7.1/16", 5M Tubing Size : 2-7/8” Maximum Height: 20" (508 mm) Maximum Weight: 230kg (506 lb) Upper Flange OD: 23.5" (596.9 mm) (Max) Outlet : 2" NPT</p> <p>B) ACCESSORIES</p> <p>a. Stripper Rubber- 06 nos</p> <p>b. Maintenance Manual with Spare parts list- 2 sets</p>		

2	<u>Clause No.</u>	NOTE FOR BIDDERS:		
	1	The items shall be brand new, unused & of prime quality. The manufacturer shall warrant (in the event of an order) that the product supplied will be free from all defects & fault in material, workmanship & manufacture and shall be in full conformity with ordered specifications. This clause shall be valid for 18 months from date of shipment or 12 months from date of commissioning of the items. The defective materials, if any, rejected by OIL shall be replaced by the supplier at their own expense. Bidders must confirm the same in their quotations.		
	2	The bidder must specify the offered items in details, forwarding relevant product catalogue/literature/detailed drawings with exploded views of each & every item of the offered product clearly indicating the various parts.		
	3	Bidder should forward a list of recommended spares for five (05) years operation for the quoted items indicating part numbers, quantity & unit price separately along with the quotation in the commercial bid and categorically confirm the same in the technical bid (price should not be mentioned in the technical bid). However, the cost of these spares will not be considered for bid evaluation purpose. The price should remain valid for at least two (02) years.		
	4	The Bidder should indicate the dimensions and weight of the offered Casing power tong, the name of the manufacturer, the country of origin, port of dispatch of the materials.		
	5	In the event of an order the supply must include two copies of Maintenance, Service and Parts Manual having illustrated drawings of the hydraulic tong indicating the part numbers. Bidder should categorically confirm while quoting.		
	6	Any deviation(s) from the tender specification should be clearly highlighted specifying justification in support of deviation.		
	7	Bidder to sign and submit completely filled up Technical check list and Technical		

		Evaluation Matrix for bid evaluation criteria and Technical specification.		
	8	Bidder should categorically confirm in the technical bid a delivery schedule within five (05) months, FOB Port of dispatch, after establishment of letter of credit (in case of foreign bidder) or for dispatch of the equipment within five (05) months after receipt of formal order (in case of indigenous bidder) failing which their offer will be rejected.
