**CORRIGENDUM**

**Amendment No. 1 Dated 23.09.2021**  
**to**  
**Tender No. SSG8129L22/03 Dated 27.08.2021**

1) This Amendment is issued to amend the following as under:

**(a)** To add new tender items from Item No. 110 to Item No. 230. Accordingly, the revised technical specifications page and the revised Tech Checklist are also uploaded in the e-tender portal w.r.t. the tender in the “Amendments” Folder.

**(b)** Please refer to the “Notes & Attachments” Tab for the revised Priced Bid Format.

**(c)** To read Clause No. II of Doc\_3 Notes to Tech Specs in lieu of existing as under:

*Please note that Kolkata Airport would be preferred primarily as the port of discharge for Explosive Items. However, since feasibility of shipping any explosive consignment to Kolkata Airport can only be ascertained from the originating Airport i.e. the Airport from which the consignment is required to be shipped due to several factors involved therein, hence bidder is required to contact the concerned Airlines operating at the Exit Airport of Shipment (the Airport that will be mentioned in the bidder’s offer) and get a line of confirmation from them w.r.t. shipment to Kolkata Airport and also submit a categorical confirmation that in the event of non-confirmation w.r.t. shipment of explosives to Kolkata Airport from the concerned airlines or the assigned freight forwarder at the originating Airport, the bidder would arrange to effect shipment to any other Indian Airport other than Kolkata Airport (in the event of order) without any extra cost implication to OIL.*

**(d)** To extend the Bid Closing / Opening Date & Time of the subject tender (giving adequate time to the bidders submit their online bids accordingly) as under:

- (i) Bid Closing Date & Time: 06.10.2021 @11:00 Hrs. IST
- (ii) Bid Opening Date & Time: 06.10.2021 @14:00 Hrs. IST

2) All other Terms & Conditions of the tender remain unchanged.
